AVIS AUX MARINS.

No. 16 de 1899.

PUISSANCE DU CANADA.—QUÉBEC.

CHANGEMENT DANS LES BALISES DU PLATON.— NOUVEAUX FEUX D'ALIGNEMENT.

L'arrière-balise de jour sur la haute terre au Platon, fleuve Saint-Laurent entre Québec et Montréal, qui, lorsqu'elle était l'une dans l'autre avec la balise d'avant sur le bord de la falaise, marquait le chenal dragué à travers la Barre à Boulard, a été démolie.

L'avant-balise de jour, sur le bord de la falaise a été reculée 50 pieds au sud, à angles droits avec l'alignement, et, dans cette nouvelle position, servira, en ligne avec le nouveau phare ci-après décrit situé sur le récif de l'île Richelieu, à marquer l'axe du chenal dragué de 500 pieds à travers à Barre à Boulard.

La balise est rectangulaire, 12 pieds de largeur sur 14 pieds de hauteur, supportée par deux poteaux sortant de 35 pieds au-dessus du sol. Elle est peinturée blanc, avec une bande noire large de 3½ pieds au milieu. Son sommet est à 145 pieds au-dessus de la marque des eaux hautes.

Entre les pieds de la balise, et dans l'axe de l'alignement, est un petit phare, montrant un côté de 7 pieds de largeur sur 10 pieds de hauteur peinturé blanc avec une bande noire au milieu du côté qui fait face au chenal. De la fenêtre du côté de cette bâtisse sera exhibé un feu rouge catoptrique, à 118 pieds au-dessus de la marque des hautes eaux, qui devrait être visible à 11 milles dans un petit arc de chaque côté de l'alignement.

Lat. N. 46° 39' 37"
Long. O. 71° 52' 43"

Ce feu sera désigné temporairement comme arrière-feu d'alignement de la Barre à Boulard.

L'avant-feu d'alignement et phare est situé dans l'axe du chenal dragué de la Barre à Boulard, sur le récif de l'île Richelieu, et est à 10,400 pieds S. 70° O. (S. 53° 40' O. vrai) de l'arrière-feu ci-dessus décrit. Il est aussi à 1,140 pieds N. 23° 30' E. (N. 7° 10' E. vrai) du phare de l'île Richelieu.

Une fois complété, il se composera d'une tour octogone en bois, pyramidale, surmontée d'une lanterne de fer, reposant sur une pile de béton entourée d'acier, de forme circulaire. La pile est peinturée rouge brun, et la tour sera peinturée blanc, avec la lanterne de fer et la base de la lanterne en rouge. Le sommet de la pile est à 10 pieds au-dessus de la marque des hautes eaux et la hauteur de la tour, depuis la pile jusqu'à la girouette, sera de 42 pieds. La tour n'est qu'en charpente pour le moment, mais la pile est suffisamment distincte pour servir de balise de jour.

Jusqu'à ce qu'elle soit complétée, un feu temporaire sera exhibé du fanal placé sur la charpente.

Le feu sera un feu rouge fixe, à 40 pieds au-dessus de la marque des hautes eaux, et devrait être visible à 7 mille de tous les points d'approche par eau. L'appareil éclairant est dioptrique, du septième ordre.

Les deux feux, l'un dans l'autre, dans une orientation O. ¼ S. ¾ S. (S. 70° O. vrai), conduisent dans l'axe du chenal dragué de 500 pieds à travers la Barre à Boulard, à 250 pieds des deux rives. L'alignement est parallèle à, et 50 pieds au sud de, l'alignement des anciennes balises de jour du Platon. Il conduit dans le grand chenal à l'ouest de la Barre à Boulard presque jusqu'à la bouée rouge de la batterie à Simon. Après avoir passé cette bouée, les feux doivent être graduellement resserrés jusqu'à ce que l'avant-feu et la balise de jour du Cap Charles soient amenés l'un dans l'autre pour conduire dans le chenal de la barre du Fer-à-cheval.

Les extrémités du bord sud de la tranchee draguée de la Barre à Boulard seront marquées par de grandes bouées-boîtes noires.

Les feux temporaires ci-dessus seront mis en opération immédiatement. Lorsque le phare d'avant sera complété, et lorsque les pilotes seront habitués à l'usage du nouvel alignement, on se propose d'éteindre les feux d'alignement du Platon, et de rendre les feux du nouvel alignement blancs. Avis en sera donné en temps convenable.

Cet avis concerne les cartes de l'Amirauté Nos. 797, 2778 et 2030*a* ; la carte du chenal des navires des Commissaires du Havre de Montréal, Nos. 16 et 17 ; le St. Lawrence Pilot, vol. I, 1894, p. 339 ; et devrait être inséré en substance dans la Liste des phares et signaux de brume canadiens, 1898, entre les Nos. 678 et 679.

☞Tous les relèvements, sauf avis contraire, sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS early in the year 1889, various requisitions were received from the Lieutenant-Governor of the North-west Territories asking for the survey of certain old travelled trails, and the survey of the following four trails was proceeded with by authority of the then Lieutenant-Governor of the Territories;

And whereas the Governor of the North-west Territories now desires the confirmation of these surveys and the transfer of the trails, such trails being as follows:—

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 13th day of May, 1899.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report, dated 3rd April, 1899, from the Minister of the Interior, stating that by Order in Council of the 26th April, 1895, (P. C. No. 945) authority was granted to the Minister of the Interior to patent to His Grace the Archbishop of Rupert's Land, for mission purposes of the Church Missionary Society, Lot No. 7, in the settlement of Fort Alexander, Manitoba, under the provision of sub-clause (*h.*) of clause 90 of The Dominion Lands Act, the said lot being 16 chains in width and containing by admeasurement 256 acres.

The Minister further states that evidence has since been filed in the Department of the Interior by Messrs. Mulock and Robarts, barristers of Winnipeg, showing that originally a parcel of land 32 chains in width, fronting on the Winnipeg River, and running some two miles back, was laid off by the Indians of the Fort Alexander Reserve for the said Society, whereas under the Order in Council above mentioned the area patented was only 16 chains in width.

The Minister also states that the matter was referred to the Department of Indian Affairs, and the evidence filed, showing satisfactorily that the additional width of 16 chains claimed (lying north of Lot 7 already patented to the said Society), situated in the Fort Alexander Indian Reserve, was occupied by the Church Missionary Society prior to the date of the Treaty, the Department of Indian Affairs have relinquished the said 16 chains in width lying immediately north of Lot 7.

The Minister, therefore, recommends that he be authorized to issue a patent to His Grace the Archbishop of Rupert's Land, for the purposes of the Church Missionary Society, for the additional 16 chains in width claimed by that Society, marked Lot 7A on the annexed sketch, coloured in pink, and containing an area of 251 acres.

The Committee submit the foregoing recommendation for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

[1045]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 22nd day of May, 1899.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report, dated 18th May, 1899, from the Secretary of State, stating that he has had under consideration several applications for letters patent of incorporation under The Companies Act, in which it is solicited that the prefix "The" immediately preceding the name of the company taking the name of a previously existing firm or partnership may be omitted.

This omission which is in accordance with the English practice, was formerly the rule in Canada until 1894, when by an arrangement with the Provincial Government of Ontario the addition of the "The" to the name of the company was made compulsory. Recently the local authorities of Ontario have rescinded this prohibition as regards old and well established firms.

The object of the original requirement that the word "The" should form part of the corporate name of the company was stated at the time to make it clear to the public that such company was incorporated, and as such, subject to statutory limitation as to liabilities.

The Minister, however, is of opinion that the obligation imposed by section 79 of The Companies Act which requires companies to make conspicuous use of the word "Limited," and the heavy penalties attached to its violation, sufficiently advertises the fact that the business of such companies is carried on by a joint stock corporation instead of by a partnership firm as heretofore.

The Minister accordingly recommends that in the case of old and well established firms, of high standing, with well known names, the prefix "The" may in the case of incorporation under the firm name be omitted at the discretion of the Secretary of State.

The Committee submit the same for Your Excellency's approval.

JOHN J. McGEE,
48-3 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 13th day of May, 1899.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Canadian Land and Ranche Company have acquired and fenced the lands immediately surrounding the south-west quarter of Section 7, Township 12, Range 22 west of the 3rd Meridian, which by Order in Council of the 21st September 1897, was set apart and reserved for stock-watering purposes, and have asked that in lieu thereof the north-west quarter of Section 5, in the same township, be reserved for stock-watering purposes;

And whereas the Superintendent of Mines reports that for stock-watering purposes this said reserve is practically of no use, that there is no longer any necessity for this quarter-section being reserved, and favourably endorses the application of the Canadian Land and Ranche Company as above set forth.

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the reservation for stock-watering purposes of the south-west quarter of Section 7, in Township 12, Range 22 west of the 3rd Meridian, shall be and the same is hereby cancelled, and that the north-west quarter of Section 5, in Township 12, in Range 22 west of the 3rd Meridian, shall be and the same is hereby reserved for stock-watering purposes in lieu thereof.

DOMINION OF CANADA—ONTARIO.

IMPROVEMENTS IN MURRAY CANAL ENTRANCE LIGHTS.

The Department of Railways and Canals have improved the character of the lights at the east and west entrances of the Murray canal, adjoining the Bay of Quinte and Presqu'ile bay.

The former lights were fixed red lights shown from small lanterns standing on brown pyramidal open frames. The new lights which are now in operation are fixed white lights 27 feet above the level of the water and visible 5 miles from all points of approach. The illuminating apparatus consists of large pressed glass lenses.

The light buildings, which stand on the same sites as the old frameworks, viz.: 30 feet from each end of the north pier of the canal, are enclosed hexagonal galvanized iron cabins, with cylindrical columns surmounted by the lenses rising from the apexes of the roofs. Each is 18 feet high, from the deck of the pier to the lens, and is painted white.

This notice affects Admiralty charts Nos. 797 and 1152, and Canadian Lists of Lights and Fog Signals, 1898, Nos. 892 and 897.

NOTICE TO MARINERS.

No. 19 of 1899.

DOMINION OF CANADA—NOVA SCOTIA.

Government Rifle Ranges, McNab's Island.

The usual annual notice has been issued by the Chief Staff Officer of the Imperial Troops in Canada, with reference to target practice on McNab's Island, as follows :—

Owing to the extreme range of the Lee-Metford or magazine rifle, with which the musketry training of the troops will in future be conducted, and with a view to the better protection of the public, it has been found necessary to demarcate more clearly the area of water seawards, and to the south of above ranges, liable to be struck by spent or ricochet bullets.

This area has been marked by four spar buoys, placed at intervals between the Thrumcap shoal and the Eastern passage, at a distance of 3,000 yards from the stop butts. The buoys mark the extreme limits of the danger zone. The spars are painted red, and are surmounted by cross heads painted red and white.

Notice is therefore hereby given that any ship or boat passing inside these buoys, during the hours of practice, incurs serious risk, and no attempt should, under any circumstances, be made to cross the aforesaid area as long as the red flag hoisted at the south end of McNab's Island is left flying.

This notice will have effect from the 11th May, 1899.

Deputy-Minister of Marine and Fisheries.

Sur un rapport, daté le 3 d'avril 1899, du ministre de l'Intérieur, énonçant que l'arrêté en conseil du 26 avril 1895, (C. P. No. 945) le ministre de l'Intérieur fut autorisé à concéder à Sa Grâce l'archevêque de la Terre de Rupert, pour des fins de mission de la Church Missionary Society, le lot No 7 dans l'établissement de Fort Alexandre, Manitoba, en vertu des dispositions de l'alinéa (*h*) de l'article 90 de l'*Acte des terres fédérales*, le dit lot ayant 16 chaînes de largeur, et contenant 256 acres en superficie.

Le Ministre dit de plus que des preuves ont depuis été produites au ministère de l'Intérieur, par messieurs Mulock et Robarts, avocats de Winnipeg, faisant voir qu'originairement un lopin de terre de 32 chaînes de largeur, partant de la rivière Winnipeg, et courant 2 milles en arrière, fut réservé par les Sauvages de la réserve du Fort Alexandrie pour la dite société, tandis qu'en vertu de l'arrêté en conseil ci-dessus mentionné l'étendue concédée n'est que de 16 chaînes de largeur.

Le Ministre dit aussi que la question a été renvoyée au département des affaires des Sauvages, et vu les preuves produites démontrant que la largeur additionnelle de 16 chaînes réclamées (au nord du lot 7 déjà concédé à la dite société), sises dans la Réserve des Sauvages du Fort Alexandre, était occupée par la Church Missionary Society antérieurement à la date du traité. le département des affaires des Sauvages a abandonné les dites 16 chaînes de largeur sises immédiatement au nord du lot 7.

A ces causes, le Ministre recommande qu'il soit autorisé à émettre des lettres patentes à Sa Grâce l'archevêque de la Terre de Rupert pour les fins de la Church Missionary Society, pour les 16 chaînes additionnelles de largeur réclamées pour cette Société, marquées lot 7*a* sur l'esquisse ci-jointe, coloriée rose, et contenant une étendue de 251 acres.

Le comité soumet ce que précède à l'approbation de Votre Excellence.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Sur un rapport daté le 18 de mai 1899, du Secrétaire d'Etat, énonçant qui a eu à examiner plusieurs demandes de lettres patentes d'incorporation en vertu de l'*Acte des compagnies*, dans lesquelles l'on sollicite que le préfixe " The " précédant immédiatement le nom d'une maison ou société déjà existante, soit omis.

Cette omission qui est conforme à la coutume anglaise, était de rigueur autrefois en Canada jusqu'en 1894, alors que par un arrangement avec le gouvernement provincial d'Ontario, l'addition de " The " au nom de la compagnie fut rendue obligatoire. Récemment les autorités locales d'Ontario ont rescindé cette prohibition à l'égard des maisons anciennes et bien établies.

L'objet de la demande primitive que le mot " The " formât partie du nom corporatif était de démontrer clairement au public que cette compagnie était constituée en corporation, et comme telle, soumise aux limitations statutaires quant aux responsabilités.

Toutefois le Ministre est d'opinion que l'obligation imposée par l'article 79 de l'*Acte des compagnies* qui exige que les compagnies emploient les mots " à resp. limitée " et les peines sévères infligées pour infraction, annonce suffisamment le fait que l'industrie de ces compagnies est exercée par une corporation par actions au lieu de l'être par une raison sociale comme auparavant.

En conséquence le Ministre recommande que dans le cas d'anciennes maisons bien établies, de bonne réputation, et portant des noms bien connus, le préfixe " The " peut dans le cas de constitution sous le nom de la raison sociale, être omis à la discrétion du Secrétaire d'Etat.

Le comité soumet ce qui précède à l'approbation de Votre Excellence.

JOHN J. McGEE,
48-3 Greffier du Conseil privé.

CONSIDÉRANT que par un arrêté en conseil du 28e jour d'avril 1894, la pêche au rets de toutes sortes a été défendue pour une période de cinq ans dans les eaux du Lac des Chats, une expansion de la rivière Ottawa, afin d'aider à la reproduction naturelle et la croissance des alevins que le Ministère de la Marine et des Pêcheries y a déposés.

Et considérant qu'il a été représenté que les effets bienfaisants de cette mesure ont déjà été ressentis par les habitants des comtés qui bordent ces eaux,—

A ces causes il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que la dite défense soit renouvelée pour une autre période de cinq ans à compter de la date de son expiration le 22e jour de mai 1899, et que durant cette période il ne sera permis de pratiquer dans le dit Lac des Chats d'autre mode de pêche que la pêche à la ligne avec hameçons, ou les lignes de nuit.

AVIS AUX MARINS.

No. 16 de 1899.

PUISSANCE DU CANADA.—QUÉBEC.

CHANGEMENT DANS LES BALISES DU PLATON.—NOUVEAUX FEUX D'ALIGNEMENT.

L'arrière-balise de jour sur la haute terre au Platon, fleuve Saint-Laurent entre Québec et Montréal, qui, lorsqu'elle était l'une dans l'autre avec la balise d'avant sur le bord de la falaise, marquait le chenal dragué à travers la Barre à Boulard, a été démolie.

L'avant-balise de jour, sur le bord de la falaise a été reculée 50 pieds au sud, à angles droits avec l'alignement, et, dans cette nouvelle position, servira, en ligne avec le nouveau phare ci-après décrit situé sur le récif de l'île Richelieu, à marquer l'axe du chenal dragué de 500 pieds à travers à Barre à Boulard.

La balise est rectangulaire, 12 pieds de largeur sur 14 pieds de hauteur, supportée par deux poteaux sortant de 35 pieds au-dessus du sol. Elle est peinturée blanc, avec une bande noire large de 3½ pieds au milieu. Son sommet est à 145 pieds au-dessus de la marque des eaux hautes.

Entre les pieds de la balise, et dans l'axe de l'alignement, est un petit phare, moutrant un côté de 7 pieds de largeur sur 10 pieds de hauteur peinturé blanc avec une bande noire au milieu du côté qui fait face au chenal. De la fenêtre du côté de cette bâtisse sera exhibé un feu rouge catoptrique, à 118 pieds au-dessus de la marque des hautes eaux, qui devrait être visible à 11 milles dans un petit arc de chaque côté de l'alignement.

Lat. N. 46° 39' 37"
Long. O. 71° 52' 43"

Ce feu sera désigné temporairement comme arrière-feu d'alignement de la Barre à Boulard.

L'avant-feu d'alignement et phare est situé dans l'axe du chenal dragué de la Barre à Boulard, sur le récif de l'île Richelieu, et est à 10,400 pieds S. 70° O. (S. 53° 40' O. vrai) de l'arrière-feu ci-dessus décrit. Il est aussi à 1,140 pieds N. 23° 30' E. (N. 7° 10' E. vrai) du phare de l'île Richelieu.

Une fois complété, il se composera d'une tour octogone en bois, pyramidale, surmontée d'une lanterne de fer, reposant sur une pile de béton entourée d'acier, de forme circulaire. La pile est peinturée rouge brun, et la tour sera peinturée blanc, avec la lanterne de fer et la base de la lanterne en rouge. Le sommet de la pile est à 10 pieds au-dessus de la marque des hautes eaux et la hauteur de la tour, depuis la pile jusqu'à la girouette, sera de 42 pieds. La tour n'est qu'en charpente pour le moment, mais la pile est suffisamment distincte pour servir de balise de jour.

Jusqu'à ce qu'elle soit complétée, un feu temporaire sera exhibé du fanal placé sur la charpente.

Le feu sera un feu rouge fixe, à 40 pieds au-dessus de la marque des hautes eaux, et devrait être visible à 7 mille de tous les points d'approche par eau. L'appareil éclairant est dioptrique, du septième ordre.

Les deux feux, l'un dans l'autre, dans une orientation O. $\frac{1}{4}$ S. $\frac{3}{4}$ S. (S. 70° O. vrai), conduisent dans l'axe du chenal dragué de 500 pieds à travers la Barre à Boulard, à 250 pieds des deux rives. L'alignement est parallèle à, et 50 pieds au sud de, l'alignement des anciennes balises de jour du Platon. Il conduit dans le grand chenal à l'ouest de la Barre à Boulard presque jusqu'à la bouée rouge de la batterie à Simon. Après avoir passé cette bouée, les feux doivent être graduellement resserrés jusqu'à ce que l'avant-feu et la balise de jour du Cap Charles soient amenés l'un dans l'autre pour conduire dans le chenal de la barre du Fer-à-cheval.

Les extrémités du bord sud de la tranchee draguée de la Barre à Boulard seront marquées par de grandes bouées-boîtes noires.

Les feux temporaires ci-dessus seront mis en opération immédiatement. Lorsque le phare d'avant sera complété, et lorsque les pilotes seront habitués à l'usage du nouvel alignement, on se propose d'eteindre les feux d'alignement du Platon, et de rendre les feux du nouvel alignement blancs. Avis en sera donné en temps convenable.

Cet avis concerne les cartes de l'Amirauté Nos. 797, 2778 et 2030*a* ; la carte du chenal des navires des Commissaires du Havre de Montréal, Nos. 16 et 17 ; le St. Lawrence Pilot, vol. I, 1894, p. 339 ; et devrait être inséré en substance dans la Liste des phares et signaux de brume canadiens, 1898, entre les Nos. 678 et 679.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos " Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

ORDRE PERMANENT.

Lorsqu'un bill confirmant un bail, une convention ou toute autre espèce de contrat, sera reçu ou présenté au Sénat, ce bail, cette convention ou cette autre espèce de contrat sera exposé dans un appendice ou autrement.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a.*) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets;

51*b.* Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

ORDRE SPÉCIAL DE LA CHAMBRE DES COMMUNES.

Résolu,—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir :—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

JOHN GEORGE BOURINOT,
Greffier des Communes.

ORDERS IN COUNCIL.

[688]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 13th day of May, 1899.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by an Order of the Governor in Council, dated the 23rd of August, 1898, section 39 of the Regulations governing Placer Mining in the Yukon Territory was repealed, and provision made whereby a free miner was entitled to hold a claim by doing or causing work to be done on the claim each year to the value of $200.00, or whereby he might in lieu of the work to be done thereon each year pay to the Mining Recorder the sum of $150.00 ;

And whereas the provisions of the said Order in Council have not become law, by reason of such order not having been published in the "*Canada Gazette*" ; and

Whereas in several cases extensions of time to commence operations have been granted by the Gold Commissioner through reason of information of such change conveyed to him by the Commissioner of the Yukon Territory under a misapprehension that the amended regulations would become law before he, the Commissioner, would arrive in the Yukon Territory ; and

Whereas at the present time it is not deemed necessary to alter section 39 of the aforesaid regulations ;

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to order and declare that the said Order in Council of the 23rd August, 1898, repealing section 39 of the aforesaid regulations, shall be and the same is hereby cancelled.

[381]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 15th day of May, 1899.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Memorandum, dated 17th February, 1899, from the Minister of the Interior, stating that by Order in Council of 8th July, 1896, authority was granted to the Alberta Railway and Coal Company to exchange the under-rights in certain parcels of land, the lands which the said company were to take in such exchange being mentioned in schedule "B" of that Order in Council, two of the parcels therein being legal subdivisions 9 and 16 of Section 12, Township 9, Range 22 west of the 4th Meridian, the surface rights, however, in these lands not being vested in the railway company.

The Minister observes that the company are desirous also of acquiring the under-rights to the westerly 15 chains of Legal Subdivision 8 of said Section 12, all three parcels of land being embraced within the homestead of Mr. William Stafford, junior.

The Minister states further that section 48 of the Regulations for the disposal of Coal lands, the property of the Dominion Government of Manitoba, the North-west Territories and British Columbia, as embodied in the Regulations approved by Order in Council of the 17th September, 1889, and 9th July, 1892, prescribes as follows :—

"Before a patent of the mining rights of any lands "can be issued, it will be necessary for the party "obtaining the same to furnish proof to the Minister "of the Interior that he has acquired the surface rights "of the land from the owner or agent or occupier of "such lands."

The Minister recommends, as the obtaining of the surface rights in these three parcels of land would entail upon the said company some delay and inconvenience and in view of the considerable expenditure and development made by them in Southern Alberta that the prescriptions of section 48 of the Regulations above quoted, be waived in this particular instance, and that the under-rights to Legal Subdivisions 9 and 16, and the westerly 15 chains of Legal Subdivision 8, all in Section 12, Township 9, Range 22 west of the 4th Meridian, be granted to the Alberta Railway and Coal Company in settlement of the said exchange, as mentioned in the Order in Council of 9th July, 1896, above referred to.

The Committee submit the foregoing for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 16th day of May, 1899.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by the Order in Council of the 18th December, 1897, the Minister of the Interior is authorized to dispose of School lands required for irrigation works at such rates of compensation as he may seem warranted by the circumstances, having due regard to the interests of the School Endowment Fund ;

And whereas in the case of lands required in School sections for the right of way of irrigation ditches, as the area necessary for this purpose would be very small, and as in order to sell or rent the land it would first be necessary to have the area defined by actual survey, the cost of which would be out of all proportion to the value of the land, the question arose whether it would not be in the public interest as well as in that of the School Endowment to allow a free right of way for such ditches through School sections, especially as the establishment of a system of irrigation would enhance the value of School lands in the vicinity ;

And whereas the Department of Justice to whom the question was referred, has given the opinion that it would be competent for the Governor in Council to issue licenses of occupation for the right of way of irrigation ditches through School sections free of charge, if, as represented, the value of School lands would be enhanced by the establishment of irrigation works,—

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased, in view of the foregoing facts, and of the further fact that it would be in the public interest and in that of the School Endowment Fund to encourage a system of irrigation in the North-west Territories, to authorize, and does hereby authorize the Minister of the Interior to issue licenses of occupation of the lands required for the right of way of irrigation ditches through School sections free of charge.

His Excellency is further pleased to order that the lands required for reservoir purposes in School sections shall be disposed of in accordance with the provisions of the Order in Council of the 18th December, 1897, before referred to.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 13th day of May, 1899.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report, dated 3rd April, 1899, from the Minister of the Interior, stating that by Order in Council of the 26th April, 1895, (P. C. No. 945) authority was granted to the Minister of the Interior to patent to His Grace the Archbishop of Rupert's Land, for mission purposes of the Church Missionary Society, Lot No. 7, in the settlement of Fort Alexander, Manitoba, under the provision of sub-clause (*h.*) of clause 90 of The Dominion Lands Act, the said lot being 16 chains in width and containing by admeasurement 256 acres.

The Minister further states that evidence has since been filed in the Department of the Interior by Messrs. Mulock and Robarts, barristers of Winnipeg, showing that originally a parcel of land 32 chains in width, fronting on the Winnipeg River, and running some two miles back, was laid off by the Indians of the Fort

Alexander Reserve for the said Society, whereas under the Order in Council above mentioned the area patented was only 16 chains in width.

The Minister also states that the matter was referred to the Department of Indian Affairs, and the evidence filed, showing satisfactorily that the additional width of 16 chains claimed (lying north of Lot 7 already patented to the said Society), situated in the Fort Alexander Indian Reserve, was occupied by the Church Missionary Society prior to the date of the Treaty, the Department of Indian Affairs have relinquished the said 16 chains in width lying immediately north of Lot 7.

The Minister, therefore, recommends that he be authorized to issue a patent to His Grace the Archbishop of Rupert's Land, for the purposes of the Church Missionary Society, for the additional 16 chains in width claimed by that Society, marked Lot 7A on the annexed sketch, coloured in pink, and containing an area of 251 acres.

The Committee submit the foregoing recommendation for Your Excellency's approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 22nd day of May, 1899.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report, dated 18th May, 1899, from the Secretary of State, stating that he has had under consideration several applications for letters patent of incorporation under The Companies Act, in which it is solicited that the prefix "The" immediately preceding the name of the company taking the name of a previously existing firm or partnership may be omitted.

This omission which is in accordance with the English practice, was formerly the rule in Canada until 1894, when by an arrangement with the Provincial Government of Ontario the addition of the "The" to the name of the company was made compulsory. Recently the local authorities of Ontario have rescinded this prohibition as regards old and well established firms.

The object of the original requirement that the word "The" should form part of the corporate name of the company was stated at the time to make it clear to the public that such company was incorporated, and as such, subject to statutory limitation as to liabilities.

The Minister, however, is of opinion that the obligation imposed by section 79 of The Companies Act which requires companies to make conspicuous use of the word "Limited," and the heavy penalties attached to its violation, sufficiently advertises the fact that the business of such companies is carried on by a joint stock corporation instead of by a partnership firm as heretofore.

The Minister accordingly recommends that in the case of old and well established firms, of high standing, with well known names, the prefix "The" may in the case of incorporation under the firm name be omitted at the discretion of the Secretary of State.

The Committee submit the same for Your Excellency's approval.

48-6 Clerk of the Privy Council.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Canadian Land and Ranche Company have acquired and fenced the lands immediately surrounding the south-west quarter of Section 7, Township 12, Range 22 west of the 3rd Meridian, which by Order in Council of the 21st September 1897, was set apart and reserved for stock-watering purposes, and have asked that in lieu thereof the north-west quarter of Section 5, in the same township, be reserved for stock-watering purposes ;

And whereas the Superintendent of Mines reports that for stock-watering purposes this said reserve is practically of no use, that there is no longer any necessity for this quarter-section being reserved, and favourably endorses the application of the Canadian Land and Ranche Company as above set forth.

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the reservation for stock-watering purposes of the south-west quarter of Section 7, in Township 12, Range 22 west of the 3rd Meridian, shall be and the same is hereby cancelled, and that the north-west quarter of Section 5, in Township 12, in Range 22 west of the 3rd Meridian, shall be and the same is hereby reserved for stock-watering purposes in lieu thereof.

Front Light.—A fixed red lantern light suspended from a pole, surmounted by an elliptical white day mark, in front and near the northerly end of the Grand Trunk railway freight house. The focal plane of the light will be 44 feet above mean lake level and 38 feet above the base of the structure.

Rear Light.—A fixed red lantern light shown from a square, white, pyramidal iron tower, surmounted by an elliptical white day mark, about 650 feet S. 31° W. (SSW. ¾ W.) in rear of the preceding. The focal plane of the light will be 69 feet above mean lake level and 50 feet above the base of the structure.

This notice affects Admiralty charts Nos. 519 and 678.

IV.—ST. MARY'S FALLS CANAL, WESTERLY ENTRANCE.

North Pier Light Discontinued.

The light formerly on the north pier at the westerly entrance to the canal, 450 feet from the outer end of the pier, has been permanently discontinued and the structure from which it was shown has been removed.

On the opening of navigation, 1899, the westerly entrance to St. Mary's Falls Canal will be lighted as follows :

Vidal Shoal Channel Range Lights.

Rear Light.—A light of the fifth order, showing fixed white varied by a red flash every minute, will be established in the tower recently erected near the railroad embankment, at the southerly end of the International railroad bridge and about 1,400 feet ENE. ¾ E. in rear of the front light on the outer end of the north pier.

The focal plane of the light will be 57 feet above mean lake level.

The tower is a triangular, pyramidal, open, iron frame work, of which the upper half is slatted and painted white, and the lower half is open and painted brown.

Front Light.—A fixed red light of the fourth order will be established in the tower recently erected on the outer end of the north pier.

The focal plane of the light will be 30 feet above mean lake level.

The tower is a conical, white, iron structure.

With the preceding this light marks a range line to guide through the Vidal Shoal Channel to the westerly entrance to St. Mary's Falls Canal.

South Pier Light.

This light, on the outer end of the south pier at the westerly entrance to the canal, will be a fixed *white lens-lantern* light (instead of a fourth order fixed red light), and will be shown from the top of *a small white house with a red roof* (instead of from a conical, white, iron tower), at a height of 15 feet above mean lake level.

This notice affects Admiralty charts Nos. 320 and 324.

I. Beacons in entrance to Midland.

Two temporary whitewashed day beacons have been established by Mr. W. J. Stewart, D.G.S., "'Bayfield," to lead south of the shoals off the south end of Giant's Tomb island and north of the shoal off Sawlog point, entrance to Matchedash bay, Georgian Bay.

The front beacon stands upon the north end of Brebœuf island on a bare granite rock, elevated 8 feet above the water. It consists of a pole 15 feet high, braced, with horizontal studwork on the pole and braces.

Lat. N. 44° 52' 32"
Long. W. 79° 53' 3"

The back beacon stands upon the west shore of Beausoleil island, and is distant 2,400 feet S. 86° E. (N. 88° E. true) from the front one. The ground at the site is 3 feet above the water, and the beacon, similar in construction to the front one, is 24 feet high.

Two similar beacons have been established on the west shore of Matchedash bay, between Midland point and Sucker creek point, to show the best channel in the reach between Pinery point and Beausoleil island.

The front beacon stands on the beach 6 cables, S. 54° E. from Sucker creek point.

Lat. N. 44° 48' 20"
Long. W. 79° 52' 20"

The ground is 2 feet above the water and the beacon is 12 feet high.

The back beacon stands on the beach of the point 3,000 feet S. 17° E. (S. 23° E. true) from the front one. It is on ground 2 feet above the water and is 15 feet high.

In entering Matchedash bay Brebœuf island beacon should be brought in one with Beausoleil island beacon outside of Bennet bank bearing S. 86° E. The alignment leads 750 feet south of the black spar buoy off Giant's Tomb lighthouse and 500 feet north of the red spar buoy off Sawlog point. As soon as the inner front beacon shows clear of Adam's point it is safe to change the course gradually until the two inner beacons are brought in one, bearing S. 17° E. This alignment should be kept until the first beacon is one-half mile distant, when the beacon should be left on the starboard hand. The shore here is bold, and can be kept close aboard until Midland point is rounded.

This notice affects Admiralty charts Nos. 327 and 2102, and Georgian Bay Pilot, 1899, pages 329 to 344.

II. Lights at Point Edward discontinued.

The private lights formerly maintained at Point Edward, Sarnia, are not now in operation. They should therefore be removed from the Canadian List of Lights and Fog Signals.

IMPROVEMENTS IN MURRAY CANAL ENTRANCE LIGHTS.

The Department of Railways and Canals have improved the character of the lights at the east and west entrances of the Murray canal, adjoining the Bay of Quinte and Presqu'ile bay.

The former lights were fixed red lights shown from small lanterns standing on brown pyramidal open frames. The new lights which are now in operation are fixed white lights 27 feet above the level of the water and visible 5 miles from all points of approach. The illuminating apparatus consists of large pressed glass lenses.

The light buildings, which stand on the same sites as the old frameworks, viz. : 30 feet from each end of the north pier of the canal, are enclosed hexagonal galvanized iron cabins, with cylindrical columns surmounted by the lenses rising from the apexes of the roofs. Each is 18 feet high, from the deck of the pier to the lens, and is painted white.

This notice affects Admiralty charts Nos. 797 and 1152, and Canadian Lists of Lights and Fog Signals, 1898, Nos. 892 and 897.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté du Gouverneur en conseil, daté le 23 d'août 1898, l'article 39 des règlements concernant les mines alluviales dans le territoire du Yukon, a été abrogé, et qu'il a été décrété qu'un mineur libre avait droit de détenir un emplacement en faisant ou faisant faire chaque année du travail sur l'emplacement pour la valeur de $200, ou pouvait, au lieu du travail à y faire chaque année, payer au Registrateur des mines la somme de $150 ;

Et attendu que les dispositions du dit arrêté en conseil ne sont pas devenues loi, pour la raison que cet arrêté n'a pas été publié dans la *Gazette du Canada* ; et

Attendu que dans plusieurs cas des prolongements de délai pour commencer les opérations ont été accordés par le Commissaire des mines d'or, parce qu'il avait reçu avis de ce changement par le Commissaire du territoire du Yukon, sous la fausse impression que les règlements modifiés deviendraient loi avant que lui, le Commissaire, arrivât dans le territoire du Yukon ; et

Attendu qu'il n'est pas jugé nécessaire de changer l'article 39 des susdits règlements,—

A ces causes il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner et déclarer que le dit arrêté en conseil du 23 d'août 1898, abrogeant l'article 39 des susdits règlements, soit et il est par le présent cancellé.

Il plaît en outre à Son Excellence d'approuver les susdits prolongements de délai par le Commissaire des mines d'or, et ils sont par le présent approuvés.

Samedi, le 13e jour de mai 1899.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport, daté le 3 d'avril 1899, du ministre de l'Intérieur, énonçant que l'arrêté en conseil du 26 avril 1895, (C. P. No. 945) le ministre de l'Intérieur fut autorisé à concéder à Sa Grâce l'archevêque de la Terre de Rupert, pour des fins de mission de la Church Missionary Society, le lot No 7 dans l'établissement de Fort Alexandre, Manitoba, en vertu des dispositions de l'alinéa (*h*) de l'article 90 de l'*Acte des terres fédérales*, le dit lot ayant 16 chaînes de largeur, et contenant 256 acres en superficie.

Le Ministre dit de plus que des preuves ont depuis été produites au ministère de l'Intérieur, par messieurs Mulock et Robarts, avocats de Winnipeg, faisant voir qu'originairement un lopin de terre de 32 chaînes de largeur, partant de la rivière Winnipeg, et courant 2 milles en arrière, fut réservé par les Sauvages de la réserve du Fort Alexandrie pour la dite société, tandis qu'en vertu de l'arrêté en conseil ci-dessus mentionné l'étendue concédée n'est que de 16 chaînes de largeur.

Le Ministre dit aussi que la question a été renvoyée au département des affaires des Sauvages, et vu les preuves produites démontrant que la largeur additionnelle de 16 chaînes réclamées (au nord du lot 7 déjà concédé à la dite société), sises dans la Réserve des Sauvages du Fort Alexandre, était occupée par la Church Missionary Society antérieurement à la date du traité, le département des affaires des Sauvages a abandonné les dites 16 chaînes de largeur sises immédiatement au nord du lot 7.

A ces causes, le Ministre recommande qu'il soit autorisé à émettre des lettres patentes à Sa Grâce l'archevêque de la Terre de Rupert pour les fins de la Church Missionary Society, pour les 16 chaînes additionnelles de largeur réclamées pour cette Société, marquées lot 7*a* sur l'esquisse ci-jointe, coloriée rose, et contenant une étendue de 251 acres.

Le comité soumet ce que précède à l'approbation de Votre Excellence.

48-4 Greffier du Conseil privé.

IL plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que l'article deux des règlements concernant la fabrication du tabac, des cigares et des cigarettes avec du tabac en feuille étranger et indigène, et en combinaison, établis par arrêté en conseil du 21 juillet 1897, soit et il est par le présent modifié en réduisant le percentage des deux tabacs en feuille étranger et indigène qui sera employé dans chaque description produite de tabac, cigares et cigarettes fabriqués, de vingt-cinq (25) à dix (10) pour 100.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 22e jour de mai 1899.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport daté le 18 de mai 1899, du Secrétaire d'Etat, énonçant qui a eu à examiner plusieurs demandes de lettres patentes d'incorporation en vertu de l'*Acte des compagnies*, dans lesquelles l'on sollicite que le préfixe " The " précédant immédiatement le nom d'une maison ou société déjà existante, soit omis.

Cette omission qui est conforme à la coutume anglaise, était de rigueur autrefois en Canada jusqu'en 1894, alors que par un arrangement avec le gouvernement provincial d'Ontario, l'addition de " The " au nom de la compagnie fut rendue obligatoire. Récemment les autorités locales d'Ontario ont rescindé cette prohibition à l'égard des maisons anciennes et bien établies.

L'objet de la demande primitive que le mot " The " formât partie du nom corporatif était de démontrer clairement au public que cette compagnie était constituée en corporation, et comme telle, soumise aux limitations statutaires quant aux responsabilités.

Toutefois le Ministre est d'opinion que l'obligation imposée par l'article 79 de l'*Acte des compagnies* qui exige que les compagnies emploient les mots " à resp. limitée " et les peines sévères infligées pour infraction, annonce suffisamment le fait que l'industrie de ces compagnies est exercée par une corporation par actions au lieu de l'être par une raison sociale comme auparavant.

En conséquence le Ministre recommande que dans le cas d'anciennes maisons bien établies, de bonne réputation, et portant des noms bien connus, le préfixe " The " peut dans le cas de constitution sous le nom de la raison sociale, être omis à la discrétion du Secrétaire d'Etat.

Le comité soumet ce qui précède à l'approbation de Votre Excellence.

JOHN J. McGEE,
48-6 Greffier du Conseil privé.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos " Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

Greffier du Sénat.

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Saturday, the 13th day of May, 1899.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by an Order of the Governor in Council, dated the 23rd of August, 1898, section 39 of the Regulations governing Placer Mining in the Yukon Territory was repealed, and provision made whereby a free miner was entitled to hold a claim by doing or causing work to be done on the claim each year to the value of $200.00, or whereby he might in lieu of the work to be done thereon each year pay to the Mining Recorder the sum of $150.00;

And whereas the provisions of the said Order in Council have not become law, by reason of such order not having been published in the *Canada Gazette*; and

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 15th day of May, 1899.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Memorandum, dated 17th February, 1899, from the Minister of the Interior, stating that by Order in Council of 8th July, 1896, authority was granted to the Alberta Railway and Coal Company to exchange the under-rights in certain parcels of land, the lands which the said company were to take in such exchange being mentioned in schedule "B" of that Order in Council, two of the parcels therein being legal subdivisions 9 and 16 of Section 12, Township 9, Range 22 west of the 4th Meridian, the surface rights, however, in these lands not being vested in the railway company.

The Minister observes that the company are desirous also of acquiring the under-rights to the westerly 15 chains of Legal Subdivision 8 of said Section 12, all three parcels of land being embraced within the homestead of Mr. William Stafford, junior.

The Minister states further that section 48 of the Regulations for the disposal of Coal lands, the property of the Dominion Government of Manitoba, the North-west Territories and British Columbia, as embodied in the Regulations approved by Order in Council of the 17th September, 1889, and 9th July, 1892, prescribes as follows:—

"Before a patent of the mining rights of any lands "can be issued, it will be necessary for the party "obtaining the same to furnish proof to the Minister "of the Interior that he has acquired the surface rights "of the land from the owner or agent or occupier of "such lands."

The Minister recommends, as the obtaining of the surface rights in these three parcels of land would entail upon the said company some delay and inconvenience and in view of the considerable expenditure and development made by them in Southern Alberta that the prescriptions of section 48 of the Regulations above quoted, be waived in this particular instance, and that the under-rights to Legal Subdivisions 9 and 16, and the westerly 15 chains of Legal Subdivision 8, all in Section 12, Township 9, Range 22 west of the 4th Meridian, be granted to the Alberta Railway and Coal Company in settlement of the said exchange, as mentioned in the Order in Council of 8th July, 1896, above referred to.

The Committee submit the foregoing for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 16th day of May, 1899.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by the Order in Council of the 18th December, 1897, the Minister of the Interior is authorized to dispose of School lands required for irrigation works at such rates of compensation as he may deem warranted by the circumstances, having due regard to the interests of the School Endowment Fund ;

And whereas in the case of lands required in School sections for the right of way of irrigation ditches, as the area necessary for this purpose would be very small, and as in order to sell or rent the land it would first be necessary to have the area defined by actual

survey, the cost of which would be out of all proportion to the value of the land, the question arose whether it would not be in the public interest as well as in that of the School Endowment to allow a free right of way for such ditches through School sections, especially as the establishment of a system of irrigation would enhance the value of School lands in the vicinity;

And whereas the Department of Justice to whom the question was referred, has given the opinion that it would be competent for the Governor in Council to issue licenses of occupation for the right of way of irrigation ditches through School sections free of charge, if, as represented, the value of School lands would be enhanced by the establishment of irrigation works,—

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased, in view of the foregoing facts, and of the further fact that it would be in the public interest and in that of the School Endowment Fund to encourage a system of irrigation in the North-west Territories, to authorize, and does hereby authorize the Minister of the Interior to issue licenses of occupation of the lands required for the right of way of irrigation ditches through School sections free of charge.

His Excellency is further pleased to order that the lands required for reservoir purposes in School sections shall be disposed of in accordance with the provisions of the Order in Council of the 18th December, 1897, before referred to.

49–4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 13th day of May, 1899.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report, dated 3rd April, 1899, from the Minister of the Interior, stating that by Order in Council of the 26th April, 1895, (P. C. No. 945) authority was granted to the Minister of the Interior to patent to His Grace the Archbishop of Rupert's Land, for mission purposes of the Church Missionary Society, Lot No. 7, in the settlement of Fort Alexander, Manitoba, under the provision of sub-clause (*h.*) of clause 90 of The Dominion Lands Act, the said lot being 16 chains in width and containing by admeasurement 256 acres.

The Minister further states that evidence has since been filed in the Department of the Interior by Messrs. Mulock and Robarts, barristers of Winnipeg, showing that originally a parcel of land 32 chains in width, fronting on the Winnipeg River, and running some two miles back, was laid off by the Indians of the Fort Alexander Reserve for the said Society, whereas under the Order in Council above mentioned the area patented was only 16 chains in width.

The Minister also states that the matter was referred to the Department of Indian Affairs, and the evidence filed, showing satisfactorily that the additional width of 16 chains claimed (lying north of Lot 7 already patented to the said Society), situated in the Fort Alexander Indian Reserve, was occupied by the Church Missionary Society prior to the date of the Treaty, the Department of Indian Affairs have relinquished the said 16 chains in width lying immediately north of Lot 7.

The Minister, therefore, recommends that he be authorized to issue a patent to His Grace the Archbishop of Rupert's Land, for the purposes of the Church Missionary Society, for the additional 16 chains in width claimed by that Society, marked Lot 7A on the annexed sketch, coloured in pink, and containing an area of 251 acres.

The Committee submit the foregoing recommendation for Your Excellency's approval.

[1045]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 22nd day of May, 1899.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report, dated 18th May, 1899, from the Secretary of State, stating that he has had under consideration several applications for letters patent of incorporation under The Companies Act, in which it is solicited that the prefix "The" immediately preceding the name of the company taking the name of a previously existing firm or partnership may be omitted.

This omission which is in accordance with the English practice, was formerly the rule in Canada until 1894, when by an arrangement with the Provincial Government of Ontario the addition of the "The" to the name of the company was made compulsory. Recently the local authorities of Ontario have rescinded this prohibition as regards old and well established firms.

The object of the original requirement that the word "The" should form part of the corporate name of the company was stated at the time to make it clear to the public that such company was incorporated, and as such, subject to statutory limitation as to liabilities.

The Minister, however, is of opinion that the obligation imposed by section 79 of The Companies Act which requires companies to make conspicuous use of the word "Limited," and the heavy penalties attached to its violation, sufficiently advertises the fact that the business of such companies is carried on by a joint stock corporation instead of by a partnership firm as heretofore.

The Minister accordingly recommends that in the case of old and well established firms, of high standing, with well known names, the prefix "The" may in the case of incorporation under the firm name be omitted at the discretion of the Secretary of State.

The Committee submit the same for Your Excellency's approval.

JOHN J. McGEE,
48-6 Clerk of the Privy Council.

WHEREAS the Canadian Land and Ranche Company have acquired and fenced the lands immediately surrounding the south-west quarter of Section 7, Township 12, Range 22 west of the 3rd Meridian, which by Order in Council of the 21st September 1897, was set apart and reserved for stock-watering purposes, and have asked that in lieu thereof the north-west quarter of Section 5, in the same township, be reserved for stock-watering purposes ;

And whereas the Superintendent of Mines reports that for stock-watering purposes this said reserve is practically of no use, that there is no longer any necessity for this quarter-section being reserved, and favourably endorses the application of the Canadian Land and Ranche Company as above set forth.

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the reservation for stock-watering purposes of the south-west quarter of Section 7, in Township 12, Range 22 west of the 3rd Meridian, shall be and the same is hereby cancelled, and that the north-west quarter of Section 5, in Township 12, in Range 22 west of the 3rd Meridian, shall be and the same is hereby reserved for stock-watering purposes in lieu thereof.

*REGULATIONS FOR THE CANADIAN MILITIA ARMY MEDICAL SERVICES.

PREFACE.

A.—With a view to the organization of the Canadian Militia upon an Army basis, the following strategical considerations governing the defence of Canada, are assumed.

For Service under para. B. (*b*) viz.: two Infantry Divisions of two Brigades each, 4 Bearer Companies and 6 Field Hospitals ; two Cavalry Brigades, 2 Bearer Companies and 1 Field Hospital ; and two Independent Brigades all Arms, each with one Bearer Company and one Field Hospital.

D.—The creation of the Canadian Militia Army Medical Services will be evolved gradually from the existing system. Officers thus detailed will perform, in all respects, the duties now carried out by permanently employed medical officers, according to roster.

21. The Establishment laid down for the regimental medical services, Para. 15, will be carried out from the 1st July. Medical Officers in excess of the establishment of units will be considered as supernumerary until absorbed or otherwise employed.

BASE HOSPITALS.

22. No system of military medical service for the field is complete without a Base Hospital. Under the conditions which prevail in the Dominion of Canada, the existing Civil Hospitals will be utilized for the purpose. A temporary staff for military medical administrative purposes is however necessary and will be provided when a Base Hospital is required. Attention on this head is directed to Para. 758, Regulations for Army Medical Services, 1897.

In the event of military operations being conducted at such a distance from Civil Hospitals as to render it impracticable that Civil Hospitals can be utilized, special arrangements for the organization of a temporary Base Hospital will be made by the D.G.M.S. upon the principles laid down in Regulations for Army Medical Service, 1897, Part II, para. 758, &c.

NURSING SERVICE.

II.—DISCONTINUANCE OF MICHAEL POINT LIGHT.

This notice affects Admiralty charts Nos. 519 and 678, and Canadian List of Lights and Fog Signals, 1898, No. 1268.

III.—UNITED STATES OF AMERICA.—THE GREAT LAKES.

The following notifications have recently been issued by the Lighthouse Board of the United States of America, respecting aids to navigation in waters contiguous to the International Boundary Line :—

Fort Gratiot Range Light Station.

On the opening of navigation, 1899, the lights of this range, to guide in the head of the St. Clair River to and from Lake Huron, will be re-established as follows, on the westerly bank of the St. Clair River :

Front Light.—A fixed red lantern light suspended from a pole, surmounted by an elliptical white day mark, in front and near the northerly end of the Grand Trunk railway freight house. The focal plane of the light will be 44 feet above mean lake level and 38 feet above the base of the structure.

IV.—ST. MARY'S FALLS CANAL, WESTERLY ENTRANCE.

North Pier Light Discontinued.

The light formerly on the north pier at the westerly entrance to the canal, 450 feet from the outer end of the pier, has been permanently discontinued and the structure from which it was shown has been removed.

On the opening of navigation, 1899, the westerly entrance to St. Mary's Falls Canal will be lighted as follows :

Vidal Shoal Channel Range Lights.

Rear Light.—A light of the fifth order, showing fixed white varied by a red flash every minute, will be established in the tower recently erected near the railroad embankment, at the southerly end of the International railroad bridge and about 1,400 feet ENE. ¾ E. in rear of the front light on the outer end of the north pier.

The focal plane of the light will be 57 feet above mean lake level.

The tower is a triangular, pyramidal, open, iron frame work, of which the upper half is slatted and painted white, and the lower half is open and painted brown.

Front Light.—A fixed red light of the fourth order will be established in the tower recently erected on the outer end of the north pier.

The focal plane of the light will be 30 feet above mean lake level.

The tower is a conical, white, iron structure.

With the preceding this light marks a range line to guide through the Vidal Shoal Channel to the westerly entrance to St. Mary's Falls Canal.

South Pier Light.

This light, on the outer end of the south pier at the westerly entrance to the canal, will be a fixed *white lens-lantern* light (instead of a fourth order fixed red light), and will be shown from the top of *a small white house with a red roof* (instead of from a conical, white, iron tower), at a height of 15 feet above mean lake level.

This notice affects Admiralty charts Nos. 320 and 324.

DOMINION OF CANADA—ONTARIO.

I. BEACONS IN ENTRANCE TO MIDLAND.

Two temporary whitewashed day beacons have been established by Mr. W. J. Stewart, D.G.S., "'Bayfield," to lead south of the shoals off the south end of Giant's Tomb island and north of the shoal off Sawlog point, entrance to Matchedash bay, Georgian Bay.

The front beacon stands upon the north end of Brebœuf island on a bare granite rock, elevated 8 feet above the water. It consists of a pole 15 feet high, braced, with horizontal studwork on the pole and braces.

Lat. N. 44° 52' 32"
Long. W. 79° 53' 3"

The back beacon stands upon the west shore of Beausoleil island, and is distant 2,400 feet S. 86° E. (N. 88° E. true) from the front one. The ground at the site is 3 feet above the water, and the beacon, similar in construction to the front one, is 24 feet high.

Two similar beacons have been established on the west shore of Matchedash bay, between Midland point and Sucker creek point, to show the best channel in the reach between Pinery point and Beausoleil island.

The front beacon stands on the beach 6 cables, S. 54° E. from Sucker creek point.

Lat. N. 44° 48' 20"
Long. W. 79° 52' 20"

The ground is 2 feet above the water and the beacon is 12 feet high.

The back beacon stands on the beach of the point 3,000 feet S. 17° E. (S. 23° E. true) from the front one. It is on ground 2 feet above the water and is 15 feet high.

In entering Matchedash bay Brebœuf island beacon should be brought in one with Beausoleil island beacon outside of Bennet bank bearing S. 86° E. The alignment leads 750 feet south of the black spar buoy off Giant's Tomb lighthouse and 500 feet north of the red spar buoy off Sawlog point. As soon as the inner front beacon shows clear of Adam's point it is safe to change the course gradually until the two inner beacons are brought in one, bearing S. 17° E. This alignment should be kept until the first beacon is one-half mile distant, when the beacon should be left on the starboard hand. The shore here is bold, and can be kept close aboard until Midland point is rounded.

This notice affects Admiralty charts Nos. 327 and 2102, and Georgian Bay Pilot, 1899, pages 329 to 344.

II. LIGHTS AT POINT EDWARD DISCONTINUED.

The private lights formerly maintained at Point Edward, Sarnia, are not now in operation. They should therefore be removed from the Canadian List of Lights and Fog Signals.

ARRETÉS EN CONSEIL.

[688]

HOTEL DU GOUVERNEMENT À OTTAWA.

Samedi, le 13e jour de mai 1899.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté du Gouverneur en conseil, daté le 23 d'août 1898, l'article 39 des règlements concernant les mines alluviales dans le territoire du Yukon, a été abrogé, et qu'il a été décrété qu'un mineur libre avait droit de détenir un emplacement en faisant ou faisant faire chaque année du travail sur l'emplacement pour la valeur de $200, ou pouvait, au lieu du travail à y faire chaque année, payer au Registrateur des mines la somme de $150 ;

Et attendu que les dispositions du dit arrêté en conseil ne sont pas devenues loi, pour la raison que cet arrêté n'a pas été publié dans la *Gazette du Canada* ; et

Attendu que dans plusieurs cas des prolongements de délai pour commencer les opérations ont été accordés par le Commissaire des mines d'or, parce qu'il avait reçu avis de ce changement par le Commissaire du territoire du Yukon, sous la fausse impression que les règlements modifiés deviendraient loi avant que lui, le Commissaire, arrivât dans le territoire du Yukon ; et

Attendu qu'il n'est pas jugé nécessaire de changer l'article 39 des susdits règlements,—

A ces causes il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner et déclarer que le dit arrêté en conseil du 23 d'août 1898, abrogeant l'article 39 des susdits règlements, soit et il est par le présent cancellé.

Il plaît en outre à Son Excellence d'approuver les susdits prolongements de délai par le Commissaire des mines d'or, et ils sont par le présent approuvés.

Samedi, le 13e jour de mai 1899.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport, daté le 3 d'avril 1899, du ministre de l'Intérieur, énonçant que l'arrêté en conseil du 26 avril 1895, (C. P. No. 945) le ministre de l'Intérieur fut autorisé à concéder à Sa Grâce l'archevêque de la Terre de Rupert, pour des fins de mission de la Church Missionary Society, le lot No 7 dans l'établissement de Fort Alexandre, Manitoba, en vertu des dispositions de l'alinéa (*h*) de l'article 90 de l'*Acte des terres fédérales*, le dit lot ayant 16 chaînes de largeur, et contenant 256 acres en superficie.

Le Ministre dit de plus que des preuves ont depuis été produites au ministère de l'Intérieur, par messieurs Mulock et Robarts, avocats de Winnipeg, faisant voir qu'originairement un lopin de terre de 32 chaînes de largeur, partant de la rivière Winnipeg, et courant 2 milles en arrière, fut réservé par les Sauvages de la réserve du Fort Alexandrie pour la dite société, tandis qu'en vertu de l'arrêté en conseil ci-dessus mentionné l'étendue concédée n'est que de 16 chaînes de largeur.

Le Ministre dit aussi que la question a été renvoyée au département des affaires des Sauvages, et vu les preuves produites démontrant que la largeur additionnelle de 16 chaînes réclamées (au nord du lot 7 déjà concédé à la dite société), sises dans la Réserve des Sauvages du Fort Alexandre, était occupée par la Church Missionary Society antérieurement à la date du traité. le département des affaires des Sauvages a abandonné les dites 16 chaînes de largeur sises immédiatement au nord du lot 7.

A ces causes, le Ministre recommande qu'il soit autorisé à émettre des lettres patentes à Sa Grâce l'archevêque de la Terre de Rupert pour les fins de la Church Missionary Society, pour les 16 chaînes additionnelles de largeur réclamées pour cette Société, marquées lot 7*a* sur l'esquisse ci-jointe, coloriée rose, et contenant une étendue de 251 acres.

Le comité soumet ce que précède à l'approbation de Votre Excellence.

48-4 Greffier du Conseil privé.

[1045]

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 22e jour de mai 1899.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport daté le 18 de mai 1899, du Secrétaire d'Etat, énonçant qui a eu à examiner plusieurs demandes de lettres patentes d'incorporation en vertu de l'*Acte des compagnies*, dans lesquelles l'on sollicite que le préfixe " The " précédant immédiatement le nom d'une maison ou société déjà existante, soit omis.

Cette omission qui est conforme à la coutume anglaise, était de rigueur autrefois en Canada jusqu'en 1891, alors que par un arrangement avec le gouvernement provincial d'Ontario, l'addition de " The " au nom de la compagnie fut rendue obligatoire. Récemment les autorités locales d'Ontario ont rescindé cette prohibition à l'égard des maisons anciennes et bien établies.

L'objet de la demande primitive que le mot " The " formât partie du nom corporatif était de démontrer clairement au public que cette compagnie était constituée en corporation, et comme telle, soumise aux limitations statutaires quant aux responsabilités.

Toutefois le Ministre est d'opinion que l'obligation imposée par l'article 79 de l'*Acte des compagnies* qui exige que les compagnies emploient les mots " à resp. limitée " et les peines sévères infligées pour infraction, annonce suffisamment le fait que l'industrie de ces compagnies est exercée par une corporation par actions au lieu de l'être par une raison sociale comme auparavant.

En conséquence le Ministre recommande que dans le cas d'anciennes maisons bien établies, de bonne réputation, et portant des noms bien connus, le préfixe " The " peut dans le cas de constitution sous le nom de la raison sociale, être omis à la discrétion du Secrétaire d'Etat.

Le comité soumet ce qui précède à l'approbation de Votre Excellence.

JOHN J. McGEE,
48-6 Greffier du Conseil privé.

BATAILLONS D'ÉLÈVES.

1. Des bataillons d'élèves pourront être formés et attachés aux bataillons actuels d'infanterie ou de carabiniers de milice, sur la recommandation des officiers de district commandants. Dans des cas particuliers des bataillons d'élèves pourront être formés indépendamment des corps de milice existants. Les quartiers généraux projetés seront spécifiés dans la demande de formation.

2. Ces bataillons seront formés de jeunes garçons d'au moins 14 et de pas plus de 18 ans.

3. Un effectif sera fixé pour chaque bataillon lors de sa formation. Un bataillon se composera d'au moins 4 compagnies, sauf dans les cas très spéciaux. Chaque compagnie comprendra au moins 40 et pas plus de 100 jeunes garçons.

4. Il ne sera pas accordé de commissions substantives aux officiers, mais ils recevront des nominations honoraires. Ces officiers pourront être des adultes. La proportion d'officiers honoraires et fonctionnaires qui sera attribuée à chaque bataillon sera comme suit :—

1 lieutenant-colonel honoraire et 1 major honoraire (pour 6 compagnies).
1 major honoraire (pour 4 ou 5 compagnies).
1 capitaine honoraire par compagnie.
1 lieutenant honoraire par compagnie.
1 2nd lieutenant honoraire par compagnie.
1 adjudant fonctionnaire.
1 quartier-maître fonctionnaire.
1 chirurgien fonctionnaire.
1 aumônier fonctionnaire.

Les noms des officiers honoraires seront dûment publiés lorsque les nominations auront été approuvées.

5. Il ne sera pas accordé d'allocations d'exercices ni autres, et les bataillons d'élèves fourniront leurs propres sergents instructeurs.

6. Une désignation spéciale se rapportant au corps de milice auquel le bataillon est affilié sera donnée à chaque bataillon lors de la sanction de sa formation, comme suit :—"le 1er bataillon d'élèves bataillon." La désignation sera portée sur l'épaulière.

7. Les bataillons d'élèves et leurs officiers dûment nommés, seront insérés dans le Contrôle trimestriel de la Milice.

8. Les bataillons d'élèves, s'ils paradent avec le bataillon auquel ils sont attachés, prennent rang avec ce bataillon. S'ils paradent avec d'autres corps de milice (le bataillon auquel ils sont attachés n'étant pas présent), ils prennent rang après ces corps. S'ils paradent avec d'autres bataillons d'élèves seulement, ils prennent rang entre eux selon le rang du bataillon auquel ils sont attachés.

9. Lorsque la chose sera possible les bataillons d'élèves seront munis gratuitement, à même les magasins de l'Etat, pour des fins d'exercices seulement, de carabines, baïonnettes, fourreaux, ceinturons, porte-baïonnette et cartouchières. Les officiers commandants de bataillons d'élèves rendront compte de tous les articles du gouvernement qui leur sont confiés, et seront responsables pour le soin et la garde en lieu sûr des armes etc , que les élèves ne doivent pas emporter chez eux.

10. Les bataillons d'élèves devront porter le même uniforme que celui du corps auquel ils sont attachés, à moins qu'une exception à cette règle ne soit autorisée de la manière régulière.

15. En faisant une réquisition au quartier général par la voie de l'officier de district commandant pour les munitions pour le tir à la cible, l'officier commandant le bataillon devra mentionner le nombre d'élèves qui sont d'un âge suffisant pour tirer à la carabine, et s'ils ont un champ de tir convenable. Il doit aussi certifier qu'un endroit convenable a été choisi pour l'emmagasinage sûr des munitions, et que l'on s'est procuré les services d'un gardien convenable.

16. Des livres militaires peuvent être fournis aux officiers commandant des bataillons d'élèves contre remboursement.

17. Un rapport annuel sera fourni par les officiers de district commandants, indiquant la force numérique de chaque bataillon d'élèves le 1er de novembre, et son état général d'efficacité. Si la force enrôlée d'un bataillon d'élèves tombe au-dessous de 4 compagnies de 40 chacune, le bataillon sera susceptible d'être licencié, à moins qu'une exception ne soit faite pour la raison qu'on peut raisonnablement s'attendre que le nombre des membres augmentera.

5. Il ne sera pas permis aux compagnies d'élèves de porter une désignation spéciale, et elles devront être décrites comme "compagnie d'élèves attachée au—— bataillon de——".

6. Les compagnies d'élèves, si elles paradent avec le bataillon auquel elles sont attachées, prennent rang avec ce bataillon. Si elles paradent avec d'autres corps de milice (le bataillon auquel elles sont attachées n'étant pas présent), elles prennent rang après ces corps. 7. Les membres d'une compagnie d'élèves ne sont pas enrôlés pour service, et ne seront pas tenus de prêter le serment d'allégeance.

8. Un officier honoraire est nommé à chaque compagnie d'élèves, sur la recommandation de l'officier commandant le bataillon auquel la compagnie est attachée. L'officier commandant le bataillon auquel la compagnie est attachée soumettra par le canal régulier le nom d'un candidat (lequel devra être un adulte) pour nomination. Cet officier ne pourra dans aucun cas, avoir un grade plus élevé que celui de capitaine honoraire. 13. Les compagnies d'élèves seront munies, gratuitement, à même les magasins de l'Etat, de carabines, baïonnettes, fourreaux, ceinturons, porte-baïonnette et cartouchières. Un compte de toutes les armes, etc., fournis gratuitement, sera rendu à la fin du grand-livre d'équipement du bataillon de milice auquel la compagnie d'élèves est attachée, mais ce compte sera tenu séparé du restant de l'équipement. L'officier commandant le bataillon de milice, comme de ses propres fournitures etc , sera tenu responsable pour la garde et le soin des armes etc., que les élèves ne doivent pas emporter chez eux.

14. Pour les membres des compagnies d'élèves qui sont d'un âge à faire le tir à la carabine, des munitions seront fournies contre remboursement, au même prix qu'à la Milice.

* RÈGLEMENTS POUR LES SERVICES GÉNÉRAUX DE SANTÉ DE LA MILICE CANADIENNE.

PRÉFACE.

A.—En vue de l'organisation de la Milice canadienne sur une base d'armée, les considérations stratégiques ci-dessous, régissant la défense du Canada, sont supposées.

B.—Les considérations stratégiques plus haut mentionnées sont comme suit : –

(*a.*) La défense de certains centres stratégiques donnés.

(*b.*) Les opérations offensives-défensives en campagne par une force complètement équipée.

Quant l'alinéa (*a*) le nombre exact des troupes qui seront réparties aux centres stratégiques est une question qui sera décidée plus tard.

Quant à l'alinéa (*b*), les opérations offensives-défensives en campagne exigent l'organisation d'une force active complètement équipée, dont une bonne partie des départements administratifs sont un élément vital. Les règlements suivants pour la création des Services généraux de santé de la Milice canadienne, comme l'un des départements en question, visent la formation, à même des unités militaires existantes, de deux divisions complètes d'infanterie, de deux brigades de cavalerie, et de deux brigades indépendantes des trois armes ; leur effectif est expliqué dans le *War Establishments* (*War Office,*) 1898.

C.—D'après les principes énumérés au paragraphe *B*, ce qui suit est le nombre des compagnies de brancardiers et d'ambulances maintenant projeté :—

Pour service, d'après le par. *B* (*a*) :—5 compagnies de brancardiers, dont une a déjà été formée.

Pour service, d'après le par. *B* (*b*), savoir, deux divisions d'infanterie, composées de deux brigades chacune :—4 compagnies de brancardiers et 6 ambulances ; deux brigades de cavalerie, 2 compagnies de brancardiers et 1 ambulance, et deux brigades indépendantes toutes armes chacune avec une compagnie de brancardiers et une ambulance.

D.—La création des Services généraux de santé de la Milice canadienne surgira graduellement du système actuel. Un équipement médical pour 4 compagnies de brancardiers sera fourni pendant l'année 1899-1900, comme mesure préliminaire, et le personnel nécessaire enrôlé. Les cadres de 4e ambulances seront aussi organisés.

INSTRUCTIONS GÉNÉRALES.

1. Le Département général de santé de la Milice canadienne se composera de deux divisions :—

(*a*) *Le Service général des officiers de santé de la Milice*, formé, 1° des Officiers du service général de santé de la Milice, 2° du Personnel du service général de santé de la Milice.

(*b*) *Service de santé régimentaire.*

OFFICIERS DU SERVICE GÉNÉRAL DE SANTÉ DE LA MILICE.

2. Le Service général des officiers de santé de la Milice sera formé d'une proportion des directeurs du service de santé, lesquels auront le commandement et la surveillance médicale dans la position qui leur sera attribuée. Il sera composé aussi de tout le personnel

des officiers requis pour les compagnies de brancardiers, ambulances et devoirs administratifs de santé. Le Personnel du service général de santé de la Milice sera composé des sous-officiers et soldats spécialement enrôlés et répartis aux compagnies de brancardiers, et aux ambulances.

Les médecins militaires seront appelés à choisir pour le service d'état-major ou le service régimentaire.

3. Le Service de santé actuel de la Milice canadienne se compose de médecins militaires régimentaires seulement. Afin de mener à bonne fin la composition du département de santé, tel qu'indiqué au par. 1, les officiers qui ont aujourd'hui des commissions comme médecins militaires régimentaires sont invités à choisir l'un ou l'autre des services qui y sont mentionnés.

Le Personnel des officiers du service général de santé de la Milice, sera choisi d'entre les officiers qui offriront leurs services.

Tous les officiers s'offrant ainsi pour le Service général de santé de la Milice, doivent avoir les qualités voulues par les règlements qui régissent la nomination des officiers et doivent être praticiens brevetés selon la loi, et ne pas dépasser 45 ans.

4. Un grade combattant sera donné aux officiers nommés au Service général de santé de la Milice, conformément au décret royal du 23 de juin 1898. Les officiers restant dans le service de santé régimentaire actuel retiendront leurs titres et rang comme à présent.

Médecins militaires en retraite.

5. Les médecins militaires qui ont quitté le service de santé ont la permission de s'offrir pour servir dans les Services généraux de santé de la Milice, pourvu qu'ils n'aient pas été sur le cadre de retraite plus longtemps que 10 ans. Ils doivent aussi posséder les qualités énumérées au paragraphe 3, et être physiquement capables. Ces officiers seront commissionnés de nouveau au grade qu'ils avaient avant leur retraite.

Effectif et solde.

6. On attire l'attention aux effectifs, de paix et de guerre, fixés pour une compagnie de brancardiers et une ambulance dans les annexes ci-jointes A et B. L'effectif pour le Service général des officiers de santé de la Milice comprendra ce qui suit, jusqu'à nouvel ordre, avec les taux de solde donnés plus bas, savoir :—

	Nombre.		Taux de solde.	
Directeur général (colonel)..	1	à	$2,800	par année.
Lieutenants-colonels...........	7	à	4 87	par jour.
Majors..............................	17	à	3 90	"
Capitaines.........................	22	à	2 82	"
Lieutenants.......................	25	à	2 00	"
Lieutenants stagiaires.......			1 58	"

Les officiers supérieurs du Service général de santé de la Milice, auront droit au fourrage et allocations, conformément au paragraphe 202, partie III, Règlements et Ordres, 1898. Les officiers commandants de compagnies de brancardiers recevront le fourrage et allocation pour un cheval.

Promotion.

7. Pour des fins de promotion les officiers du Service général de santé de la Milice seront réputés appartenir à une division distincte, et la promotion d'un grade à un autre aura lieu sur le même principe que celui dans un régiment ou corps.

Uniforme.

8. L'uniforme des Officiers du service général de santé de la Milice canadienne et du Personnel du service canadien de santé sera semblable à celui du *Royal Army Medical Corps*, dans le service impérial, (*Dress Regulations*, 1899) avec en sus un insigne distinctif canadien sur le collet. L'uniforme du Service général de santé de la Milice ne sera permis qu'aux médecins militaires qui sont attachés pour devoir aux officiers du service de santé de l'armée.

Devoirs.

9. Les devoirs des Officiers du service général de santé de la Milice seront tels qu'énoncés dans les Ordonnances de la Reine, et les Règlements pour les Services de santé de l'armée, 1897, et les règlements qui régissent le Personnel du service de santé de l'armée royale en tant qu'ils s'appliquent à la Milice canadienne.

10. Les médecins militaires régimentaires qui s'offrent pour le Service général de santé de la Milice canadienne seront, après avoir été choisis et recommandés, publiés comme stagiaires. Ils seront ensuite présentés comme surnuméraires dans le régiment auquel ils appartiennent maintenant, et ne seront répartis aux unités que lorsqu'elles seront organisées. Les lettres A.M.S. seront imprimées à la suite de leurs noms dans le Contrôle trimestriel de la Milice. Il y aura une liste séparée qui indiquera le personnel complet des officiers du Service général de santé de la Milice.

11. Toutes les nominations comme Officiers du service général de santé de la Milice, seront considérées comme provisoires jusqu'à ce qu'une connaissance satisfaisante des sujets suivants ait été obtenue, savoir :—

(1.) Exercices d'infanterie, 1896, parties I (l'article 46 est facultatif) et II.
(2.) (*a.*) Le manuel pour le Personnel du service de santé. (*b.*) L'administration des Services généraux de santé de la Milice, particulièrement quant à ce qui concerne les hôpitaux militaires et les compagnies de brancardiers. Les Règlements pour les services de santé de l'armée.
(3.) Hygiène militaire.
(4.) Rapports et devoirs, tels qu'établis dans les Ordonnances de la Reine, et les Règlements de santé.
(5.) (*a*) Loi militaire. (*b*) L'administration des services de santé en campagne.
(6.) Equitation.

Dans le but de mettre les officiers à même de se rendre capables sur les susdits sujets, des écoles d'instruction seront formées plus tard, où des cours abrégés d'instruction auront lieu, sous le contrôle d'un médecin militaire compétent.

Les cours ci-dessus mentionnés seront tenus aux quartiers généraux des districts militaires, en vertu d'arrangements énoncés plus tard.

12. Des directeurs du service de santé seront nommés pour le commandement et la surveillance médicale des districts militaires, selon le besoin. Ils recevront une solde de commandement à un taux spécial, en sus de la solde établie au paragraphe 6, R. et O. 1898. La partie I, art. VIII, par. 31, s'appliquera à la durée de charge des directeurs du service de santé.

13. Afin de permettre à une certaine partie des officiers du service de santé d'obtenir une idée pratique de l'administration et du devoir militaires, les devoirs qui sont aujourd'hui remplis par les médecins militaires permanemment employés et en charge des unités permanentes seront éventuellement remplis par des officiers du service général de santé désignés à cette fin par le directeur du service de santé du district concerné. Les officiers ainsi désignés rempliront, sous tous les rapports, les devoirs aujourd'hui remplis par des médecins militaires permanemment employés, à tour de rôle.

Eu égard au fait que des officiers ainsi employés ne sont pas empêchés de pratiquer au civil, une allocation spéciale de $2 par jour sera accordée pendant le temps qu'ils sont ainsi désignés pour ce devoir.

14. Les officiers actuellement en charge médicale permanente des unités permanentes mentionnées au paragraphe 13, seront en conséquence absorbés, et les vacances qui surviendront ne seront pas remplies.

SERVICE DE SANTÉ RÉGIMENTAIRE.

Personnel.

15. Le Personnel du service de santé régimentaire sera composé comme suit :—

Un médecin militaire, par régiment de cavalerie, division de brigade d'artillerie, et bataillon d'infanterie.

Un sous-officier sera choisi de chaque unité et formera le personnel régimentaire à la disposition de l'officier de santé régimentaire. Il sera responsable de la section des brancardiers, lorsque organisée et en devoir comme telle.

Les unités indépendantes seront attachées pour des fins médicales à d'autres corps.

Premières nominations.

16. Les candidats pour première nomination au grade de chirurgiens-lieutenants devront passer l'examen comme médecins praticiens suivant la loi. Des demandes seront faites aux officiers commandant les régiments conformément aux R. et O. 1898, partie I, sec. VIII. Les officiers en étant nommés pour la première fois seront réputés stagiaires jusqu'à ce qu'ils aient passé l'examen d'aptitude nécessaire sur les sujets mentionnés au paragraphe 18.

Promotion.

17. La promotion, sujette à l'examen d'aptitude nécessaire, aura lieu comme suit :—

Après un an de service en qualité de chirurgien-lieutenant : chirurgien-capitaine.

Après 4 ans de service en qualité de chirurgien-capitaine : chirurgien-major.

Tout le service n'excèdera pas une période de 10 ans. Dans les cas exceptionnels, toutefois, cette période pourra être prolongée sur la recommandation des officiers commandants à un autre terme. Le grade honorifique de chirurgien-lieutenant-colonel pourra être donné après 15 ans de service.

(Ce paragraphe n'est pas censé être rétroactif dans le cas d'officiers servant comme médecins militaires régimentaires le 1er de mai 1899.)

Qualités nécessaires.

18. Les qualités suivantes sont exigées des officiers nommés en stage :—

(i) Devoirs régimentaires et discipline, selon les Règlements et Ordres, 1898, et les Ordonnances de la Reine.

(ii) Exercices d'infanterie, 1896, partie I (l'article 46 est facultatif).

(iii) Règlements pour les services de santé de l'Armée, 1897, partie I, pars. 82 à 132, inclusivement, et 514 à 571, inclusivement ; et partie II, pars. 687 à 699 inclusivement. Manuel pour le personnel du service de santé.

Un autre examen sera exigé quant aux aptitudes des chirurgiens-capitaines avant d'être promus au grade de chirurgien-major. Les sujets requis sont identiques à ceux exposés dans le par. 11 pour les officiers de santé de l'armée, sauf que les sujets 2 (*b*) et 5 (*a*) ne seront pas requis. Cet examen sera conduit au moyen de papiers d'examen sur les livres de classe et les règlements mentionnés, et le directeur général des services de santé fera les arrangements nécessaires à cette fin.

Uniforme.

19. Les médecins militaires régimentaires porteront l'uniforme de leur corps, à l'exception de la coiffure et des ceinturons, lesquels seront du modèle départemental, la grande tenue et la petite tenue.

Solde.

20. Les taux de solde seront tels que spécifiés au par. 6.

Effectif.

21. L'effectif établi pour les services de santé régimentaires par. 15, sera maintenu à compter du 1er juillet. Les médecins militaires excédant l'effectif des unités seront considérés comme surnuméraires jusqu'à ce qu'ils soient absorbés ou autrement employés.

HOPITAUX DE DÉPOT.

22. Nul système de service de santé militaire en campagne ne sera complet sans un hôpital de dépôt. Dans les conditions actuelles au Canada, les hôpitaux civiques qui existent seront utilisés à cette fin. Un personnel temporaire pour des fins administratives de santé militaires est toutefois nécessaire et sera établi lorsqu'un hôpital de dépôt est requis. A ce sujet on attire l'attention au par. 758, Règlements pour les services de santé de l'armée, 1897.

Dans le cas où des opérations militaires seront conduites à une telle distance des hôpitaux civiques qu'il serait impraticable d'utiliser ces hôpitaux civiques, des arrangements spéciaux pour l'organisation d'un hôpital de dépôt temporaire seront faits par le Directeur général du service de santé, d'après les principes énoncés dans les Règlements pour le service de santé de l'armée, 1897, partie II, par. 758, etc.

GARDES-MALADES.

23. La création d'un Service canadien de gardes-malades de l'armée, relié à l'hôpital de dépôt militaire et une ligne de communication, est à l'étude, et sera organisée plus tard.

DEMANDES AU PARLEMENT.

Règles *in re* Avis de bills privés.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

49. (*c*.) Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer.

Ordre permanent.

Lorsqu'un bill confirmant un bail, une convention ou toute autre espèce de contrat, sera reçu ou présenté au Sénat, ce bail, cette convention ou cette autre espèce de contrat sera exposé dans un appendice ou autrement.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

Règles additionnelles de la Chambre des Communes concernant les bills privés.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

ORDRE SPÉCIAL DE LA CHAMBRE DES COMMUNES.

Résolu,—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir :—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by an Order of the Governor in Council, dated the 23rd of August, 1898, section 39 of the Regulations governing Placer Mining in the Yukon Territory was repealed, and provision made whereby a free miner was entitled to hold a claim by doing or causing work to be done on the claim each year to the value of $200.00, or whereby he might in lieu of the work to be done thereon each year pay to the Mining Recorder the sum of $150.00;

And whereas the provisions of the said Order in Council have not become law, by reason of such order not having been published in the *Canada Gazette*; and

Whereas in several cases extensions of time to commence operations have been granted by the Gold Commissioner through reason of information of such change conveyed to him by the Commissioner of the Yukon Territory under a misapprehension that the amended regulations would become law before he, the Commissioner, would arrive in the Yukon Territory; and

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 15th day of May, 1899.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Memorandum, dated 17th February, 1899, from the Minister of the Interior, stating that by Order in Council of 8th July, 1896, authority was granted to the Alberta Railway and Coal Company to exchange the under-rights in certain parcels of land, the lands which the said company were to take in such exchange being mentioned in schedule "B" of that Order in Council, two of the parcels therein being legal subdivisions 9 and 16 of Section 12, Township 9, Range 22 west of the 4th Meridian, the surface rights, however, in these lands not being vested in the railway company.

The Minister observes that the company are desirous also of acquiring the under-rights to the westerly 15 chains of Legal Subdivision 8 of said Section 12, all three parcels of land being embraced within the homestead of Mr. William Stafford, junior.

The Minister states further that section 48 of the Regulations for the disposal of Coal lands, the property of the Dominion Government of Manitoba, the North-west Territories and British Columbia, as embodied in the Regulations approved by Order in Council of the 17th September, 1889, and 9th July, 1892, prescribes as follows:—

"Before a patent of the mining rights of any lands "can be issued, it will be necessary for the party "obtaining the same to furnish proof to the Minister "of the Interior that he has acquired the surface rights "of the land from the owner or agent or occupier of "such lands."

The Minister recommends, as the obtaining of the surface rights in these three parcels of land would entail upon the said company some delay and inconvenience and in view of the considerable expenditure and development made by them in Southern Alberta that the prescriptions of section 48 of the Regulations above quoted, be waived in this particular instance, and that the under-rights to Legal Subdivisions 9 and 16, and the westerly 15 chains of Legal Subdivision 8, all in Section 12, Township 9, Range 22 west of the 4th Meridian, be granted to the Alberta Railway and Coal Company in settlement of the said exchange, as mentioned in the Order in Council of 8th July, 1896, above referred to.

The Committee submit the foregoing for Your Excellency's approval.

Clerk of the Privy Council.

Whereas the Executive Council of the Territories have passed a Minute of Council authorizing the same; and there being no reason why the same should not be carried out,—

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 16th day of May, 1899.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by the Order in Council of the 18th December, 1897, the Minister of the Interior is authorized to dispose of School lands required for irrigation works at such rates of compensation as he may deem warranted by the circumstances, having due regard to the interests of the School Endowment Fund;

And whereas in the case of lands required in School sections for the right of way of irrigation ditches, as the area necessary for this purpose would be very small, and as in order to sell or rent the land it would first be necessary to have the area defined by actual

survey, the cost of which would be out of all proportion to the value of the land, the question arose whether it would not be in the public interest as well as in that of the School Endowment to allow a free right of way for such ditches through School sections, especially as the establishment of a system of irrigation would enhance the value of School lands in the vicinity;

And whereas the Department of Justice to whom the question was referred, has given the opinion that it would be competent for the Governor in Council to issue licenses of occupation for the right of way of irrigation ditches through School sections free of charge, if, as represented, the value of School lands would be enhanced by the establishment of irrigation works,—

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased, in view of the foregoing facts, and of the further fact that it would be in the public interest and in that of the School Endowment Fund to encourage a system of irrigation in the North-west Territories, to authorize, and does hereby authorize the Minister of the Interior to issue licenses of occupation of the lands required for the right of way of irrigation ditches through School sections free of charge.

His Excellency is further pleased to order that the lands required for reservoir purposes in School sections shall be disposed of in accordance with the provisions of the Order in Council of the 18th December, 1897, before referred to.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 13th day of May, 1899.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

On a Report, dated 3rd April, 1899, from the Minister of the Interior, stating that by Order in Council of the 26th April, 1895, (P. C. No. 945) authority was granted to the Minister of the Interior to patent to His Grace the Archbishop of Rupert's Land, for mission purposes of the Church Missionary Society, Lot No. 7, in the settlement of Fort Alexander, Manitoba, under the provision of sub-clause (*h.*) of clause 90 of The Dominion Lands Act, the said lot being 16 chains in width and containing by admeasurement 256 acres.

The Minister further states that evidence has since been filed in the Department of the Interior by Messrs. Mulock and Robarts, barristers of Winnipeg, showing that originally a parcel of land 32 chains in width, fronting on the Winnipeg River, and running some two miles back, was laid off by the Indians of the Fort Alexander Reserve for the said Society, whereas under the Order in Council above mentioned the area patented was only 16 chains in width.

The Minister also states that the matter was referred to the Department of Indian Affairs, and the evidence filed, showing satisfactorily that the additional width of 16 chains claimed (lying north of Lot 7 already patented to the said Society), situated in the Fort Alexander Indian Reserve, was occupied by the Church Missionary Society prior to the date of the Treaty, the Department of Indian Affairs have relinquished the said 16 chains in width lying immediately north of Lot 7.

The Minister, therefore, recommends that he be authorized to issue a patent to His Grace the Archbishop of Rupert's Land, for the purposes of the Church Missionary Society, for the additional 16 chains in width claimed by that Society, marked Lot 7A on the annexed sketch, coloured in pink, and containing an area of 251 acres.

The Committee submit the foregoing recommendation for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

[1045]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 22nd day of May, 1899.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

On a Report, dated 18th May, 1899, from the Secretary of State, stating that he has had under consideration several applications for letters patent of incorporation under The Companies Act, in which it is solicited that the prefix "The" immediately preceding the name of the company taking the name of a previously existing firm or partnership may be omitted.

This omission which is in accordance with the English practice, was formerly the rule in Canada until 1894, when by an arrangement with the Provincial Government of Ontario the addition of the "The" to the name of the company was made compulsory. Recently the local authorities of Ontario have rescinded this prohibition as regards old and well established firms.

The object of the original requirement that the word "The" should form part of the corporate name of the company was stated at the time to make it clear to the public that such company was incorporated, and as such, subject to statutory limitation as to liabilities.

The Minister, however, is of opinion that the obligation imposed by section 79 of The Companies Act which requires companies to make conspicuous use of the word "Limited," and the heavy penalties attached to its violation, sufficiently advertises the fact that the business of such companies is carried on by a joint stock corporation instead of by a partnership firm as heretofore.

The Minister accordingly recommends that in the case of old and well established firms, of high standing, with well known names, the prefix "The" may in the case of incorporation under the firm name be omitted at the discretion of the Secretary of State.

The Committee submit the same for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

Whereas the Canadian Land and Ranche Company have acquired and fenced the lands immediately surrounding the south-west quarter of Section 7, Township 12, Range 22 west of the 3rd Meridian, which by Order in Council of the 21st September 1897, was set apart and reserved for stock-watering purposes, and have asked that in lieu thereof the north-west quarter of Section 5, in the same township, be reserved for stock-watering purposes;

And whereas the Superintendent of Mines reports that for stock-watering purposes this said reserve is practically of no use, that there is no longer any necessity for this quarter-section being reserved, and favourably endorses the application of the Canadian Land and Ranche Company as above set forth.

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the reservation for stock-watering purposes of the south-west quarter of Section 7, in Township 12, Range 22 west of the 3rd Meridian, shall be and the same is hereby cancelled, and that the north-west quarter of Section 5, in Township 12, in Range 22 west of the 3rd Meridian, shall be and the same is hereby reserved for stock-watering purposes in lieu thereof.

An occulting white gas light on the Pintsch system is shown from a lantern surmounting the buoy, at an elevation of 10 feet above the water, and should be visible 4 miles from all points of approach by water. Like lights shown from other gas buoys, this light is not under constant supervision and may at times be extinguished for short periods. Implicit dependence must therefore not be placed on it.

This notice affects Admiralty charts Nos. 315, 318 and 2,516; St. Lawrence Pilot, Vol. I, 1894, page 285, and the substance of it should be entered in the Canadian List of Lights and Fog Signals, 1899, under the number 780.

II. UNCHARTED SHOAL OFF STE. FÉLICITÉ.

Commander Wakeham, D. G. S., "La Canadienne," has located a shoal, the existence of which was reported to the Department by Major E. L. Bond, Marine Underwriter, Montreal, nearly one mile from shore, northward from Ste. Félicité parish church, on the south shore of the St. Lawrence, county of Rimouski.

Lat.	N.	48°	55'	18"
Long.	W.	67°	20'	52"

The shoal, which will be known as Roix shoal, is of rock, about 500 feet long, east and west, by about 400 feet wide. It rises abruptly from a muddy bottom. The least water found on it is 4 fathoms, the average being about 5 fathoms; the soundings drop suddenly into 9 fathoms all round.

The following sextant angles were taken from the shoal:—

Outer tangent of Cape Balance.	0°
Ste. Félicité church	92° 10'
Matane lighthouse	64° 20'

The following compass bearings were also taken:

Cape Chat E. ¼ S.
Ste. Félicité church. S. W. by S. ½ S.
Matane lighthouse W. ¼ N.

Fishermen report that the sea seldom breaks on this shoal although there is often a heavy curl on it. Commander Wakeham suggests that deep draft vessels should give this shore a berth of at least 2 miles.

This notice affects Admiralty Charts Nos. 309 and 2,516, and St. Lawrence Pilot, Vol. I, 1894, page 86.

NOVA SCOTIA.

III. ERRATUM.

In part I of notice to mariners No. 21 of 1899 a typographical error appears in one of the bearings indicated in the arc of visibility of the Port Medway harbour light. The bearing W. W. by W. ½ W. should read N. W. by W. ½ W.

NOTICE TO MARINERS.

No. 32 of 1899.

DOMINION OF CANADA—BRITISH COLUMBIA.

I. Uncharted dangers off Kinghorn island, Strait of Georgia.

The following information respecting two uncharted rocks existing about half a mile northward of Kinghorn island, and in the fairway to Desolation sound, has been forwarded by Capt. Walbran, D.G.S. "Quadra."

(1.) *West Rock.*

Lat. N. 50° 5' 19"
Long. W. 124° 52' 39"

Sextant angles taken from the rock are as follows :—

East tangent of Island off Turn point, Cortes island	0°
West tangent, Kinghorn island	9° 25'
East tangent, Kinghorn island	77° 35'
North tangent, Station island	30° 0'
East tangent, Martin island	28° 18'
Junction point, Lewis channel	85° 26'
East tangent, island off Turn point	129° 16'

This rock dries 2 feet at l. w. s., is about 130 feet in diameter, showing 3 heads above water, with deep water close around.

(2.) *East Rock.*

Lat. N. 50° 5' 21"
Long. W. 124° 52' 22"

Sextant angles taken from the rock are as follows :—

West tangent, Kinghorn island	0°
East tangent, Kinghorn island	76° 22'
North tangent, Station island	44° 24'
East tangent, Martin island	34° 13'
East point, Refuge cove	52° 34'
Junction point	34° 00'
West Rock	73° 45'
West tangent, Kinghorn island	44° 42'

This rock dries one foot at l. w. s., is about 75 feet in diameter, with deep water close around. Neither rock is marked by kelp. It was noted from this rock that the east tangent of Martin island, and west tangent of Melville island were in line, and that the eastern trend of Kinghorn island was also in line. The depth in the middle of the passage between the east and west rocks is 13 fathoms. The rocks are two cables apart.

(3.) A rocky patch was also found about 2 cables to the southward of the west rock, having a depth of two fathoms, with from 5 to 10 fathoms around. The greatest depth between this two-fathom patch and the west rock is 12 fathoms and between the patch and Kinghorn island 23 fathoms.

Sextant angles taken from the patch are as follows :—

East and west tangent, Kinghorn island	105° 32'

East tangent, Kinghorn island, and north tangent, Middle island (situated in centre of passage between Kinghorn and Station islands) in line.

This notice affects Admiralty charts Nos. 580 and 1917, and British Columbia Pilot, 1898, page 231.

II. Rocky ledge off Three islets, east point of Cortes island.

Captain Walbran also reports a narrow rocky ledge lying north and south and about 400 feet in length, showing a rock head at each end of the ledge one foot above low water springs, with a depth of 4 fathoms between them. There is a depth of 12 fathoms ½ cable east of the ledge. The centre of the ledge bears from the north end of the Three islets, E. by N. ½ N. distant 1½ cables.

Lat. N. 50° 3' 16"
Long. W. 124° 55' 51"

This notice affects Admiralty charts Nos. 580 and 1917, and British Columbia Pilot, 1898, page 226.

III. Shark spit and Channel rock beacons, Mary island.

(1.) A beacon composed of three piles, braced together at the head, surmounted by a drum 8 feet square, the whole painted white and showing 10 feet above high water, has been erected near the end of Shark spit, Mary island. The spit dries at low water spring tides, 100 feet outside the beacon, and at a distance of 140 feet from the beacon towards Channel rock there is a depth of 2¾ fathoms deepening rapidly to 6 fathoms.

Lat. N. 50° 5' 30"
Long. W. 125° 3' 45"

(2.) Channel rock ; marked by an iron spindle with small drum on top, showing 3 feet at high water and 10 feet at low water, contracts the navigable channel between this rock and Shark spit to half a cable, the depth in the channel being 6¾ fathoms at low water springs. This dangerous rock, covered about 4 feet at high water, is not shown on chart No. 580 nor mentioned in the British Columbia Pilot.

There is no safe passage between Channel rock and the small islet to the northward lying close to the Cortes island shore. The beacon on Shark spit should not be approached within 160 feet. The rise of tide here is 14 feet.

This notice affects Admiralty charts Nos. 580 and 1917, and British Columbia Pilot, 1898, page 235.

IV. Nanaimo harbour, Additional spar buoy.

A spar buoy, painted red, has been moored in Nanaimo harbour, in 12 feet of water, to mark the northwesterly shoulder of the middle bank. Westward of the buoy the depths range from 26 to 30 feet and eastward 3 to 8 feet, low water springs. The buoy bears from the white light beacon on the north extreme of the middle bank S. by W., distant 480 feet.

Note.—The northwest shoulder of the Middle bank shown on harbour chart No. 573, with a depth of 16 feet, does not exist, being a depth in that vicinity of not less than 25 feet low water springs.

This notice affects Admiralty harbour charts Nos. 573 and 2512, and British Columbia Pilot, 1898, page 188.

V. Beacons in Baynes sound re-erected.

(1.) The inner or west beacon marking the crossing over Kelp bar at the north entrance to Baynes sound, reported missing, has been re-erected as before.

Lat. N. 49° 38' 56"
Long. W. 124° 53' 30"

(2.) The beacons on the Vancouver island shore mentioned in Notice to Mariners No. 45 of 1894, to show the above crossing, have been renewed, and consist of four white painted planks, fastened diagonally in pairs, to two trees. When the trees are brought in one, so that the planks form a double St. Andrew's cross, one cross above the other, they lead across the bar in 9 feet at an extreme low tide, southward of the beacons.

(3.) The beacon on Union spit, reported missing, has been re-erected as before.

Lat. N. 49° 35' 30"
Long. W. 124° 54' 0"

(4.) The beacon on Maple spit, reported missing in part III of notice to mariners No. 84 of 1898, has been re-erected. The beacon has been built with 5 piles, braced together at the head, and surmounted by a lattice work ball, 6 feet in diameter, painted white, the remainder of the beacon being black.

Lat.	N.	49°	28'	21"
Long.	W.	124°	44'	30"

This notice affects Admiralty charts Nos. 580, 585 and 1917, and British Columbia Pilot, 1898, pages 200 and 201.

ARRETÉS EN CONSEIL.

[688]

HOTEL DU GOUVERNEMENT À OTTAWA.

Samedi, le 13e jour de mai 1899.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté du Gouverneur en conseil, daté le 23 d'août 1898, l'article 39 des règlements concernant les mines alluviales dans le territoire du Yukon, a été abrogé, et qu'il a été décrété qu'un mineur libre avait droit de détenir un emplacement en faisant ou faisant faire chaque année du travail sur l'emplacement pour la valeur de $200, ou pouvait, au lieu du travail à y faire chaque année, payer au Registrateur des mines la somme de $150 ;

Et attendu que les dispositions du dit arrêté en conseil ne sont pas devenues loi, pour la raison que cet arrêté n'a pas été publié dans la *Gazette du Canada* ; et

Attendu que dans plusieurs cas des prolongements de délai pour commencer les opérations ont été accordés par le Commissaire des mines d'or, parce qu'il avait reçu avis de ce changement par le Commissaire du territoire du Yukon, sous la fausse impression que les règlements modifiés deviendraient loi avant que lui, le Commissaire, arrivât dans le territoire du Yukon ; et

Attendu qu'il n'est pas jugé nécessaire de changer l'article 39 des susdits règlements,—

A ces causes il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner et déclarer que le dit arrêté en conseil du 23 d'août 1898, abrogeant l'article 39 des susdits règlements, soit et il est par le présent cancellé.

Il plaît en outre à Son Excellence d'approuver les susdits prolongements de délai par le Commissaire des mines d'or, et ils sont par le présent approuvés.

JOHN J. McGEE,
49-4 Greffier du Conseil privé.

Lundi, le 22e jour de mai 1899.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport daté le 18 de mai 1899, du Secrétaire d'Etat, énonçant qui a eu à examiner plusieurs demandes de lettres patentes d'incorporation en vertu de l'*Acte des compagnies*, dans lesquelles l'on sollicite que le préfixe " The " précédant immédiatement le nom d'une maison ou société déjà existante, soit omis.

Cette omission qui est conforme à la coutume anglaise, était de rigueur autrefois en Canada jusqu'en 1894, alors que par un arrangement avec le gouvernement provincial d'Ontario, l'addition de " The " au nom de la compagnie fut rendue obligatoire. Récemment les autorités locales d'Ontario ont rescindé cette prohibition à l'égard des maisons anciennes et bien établies.

L'objet de la demande primitive que le mot " The " formât partie du nom corporatif était de démontrer clairement au public que cette compagnie était constituée en corporation, et comme telle, soumise aux limitations statutaires quant aux responsabilités.

Toutefois le Ministre est d'opinion que l'obligation imposée par l'article 79 de l'*Acte des compagnies* qui exige que les compagnies emploient les mots " à resp. limitée " et les peines sévères infligées pour infraction, annonce suffisamment le fait que l'industrie de ces compagnies est exercée par une corporation par actions au lieu de l'être par une raison sociale comme auparavant.

En conséquence le Ministre recommande que dans le cas d'anciennes maisons bien établies, de bonne réputation, et portant des noms bien connus, le préfixe " The " peut dans le cas de constitution sous le nom de la raison sociale, être omis à la discrétion du Secrétaire d'Etat.

Le comité soumet ce qui précède à l'approbation de Votre Excellence.

JOHN J. McGEE,
48-6 Greffier du Conseil privé.

Samedi, le 13e jour de mai 1899.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport, daté le 3 d'avril 1899, du ministre de l'Intérieur, énonçant que l'arrêté en conseil du 26 avril 1895, (C. P. No. 945) le ministre de l'Intérieur fut autorisé à concéder à Sa Grâce l'archevêque de la Terre de Rupert, pour des fins de mission de la Church Missionary Society, le lot No 7 dans l'établissement de Fort Alexandre, Manitoba, en vertu des dispositions de l'alinéa (*h*) de l'article 90 de l'*Acte des terres fédérales*, le dit lot ayant 16 chaînes de largeur, et contenant 256 acres en superficie.

Le Ministre dit de plus que des preuves ont depuis été produites au ministère de l'Intérieur, par messieurs Mulock et Robarts, avocats de Winnipeg, faisant voir qu'originairement un lopin de terre de 32 chaînes de largeur, partant de la rivière Winnipeg, et courant 2 milles en arrière, fut réservé par les Sauvages de la réserve du Fort Alexandrie pour la dite société, tandis qu'en vertu de l'arrêté en conseil ci-dessus mentionné l'étendue concédée n'est que de 16 chaînes de largeur.

Le Ministre dit aussi que la question a été renvoyée au département des affaires des Sauvages, et vu les preuves produites démontrant que la largeur additionnelle de 16 chaînes réclamées (au nord du lot 7 déjà concédé à la dite société), sises dans la Réserve des Sauvages du Fort Alexandre, était occupée par la Church Missionary Society antérieurement à la date du traité, le département des affaires des Sauvages a abandonné les dites 16 chaînes de largeur sises immédiatement au nord du lot 7.

A ces causes, le Ministre recommande qu'il soit autorisé à émettre des lettres patentes à Sa Grâce l'archevêque de la Terre de Rupert pour les fins de la Church Missionary Society, pour les 16 chaînes additionnelles de largeur réclamées pour cette Société, marquées lot 7*a* sur l'esquisse ci-jointe, coloriée rose, et contenant une étendue de 251 acres.

Le comité soumet ce que précède à l'approbation de Votre Excellence.

AVIS AUX MARINS.

No. 31 de 1899.

PUISSANCE DU CANADA—QUÉBEC.

I. BOUÉE À GAZ SUR LA BATTURE DE SAINT-THOMAS.

Le 23 du courant, la bouée boîte-noire qui jusqu'à présent avait été maintenue pour indiquer l'extrémité de la batture de Saint-Thomas, dans le fleuve Saint-Laurent en aval de Québec, a été enlevée, et en même temps, une bouée à gaz sphérique, peinturée en noir, avec les mots "St. Thomas Shoals" en lettres blanches, a été ancrée dans 5 brasses d'eau à une encablure nord de la position autrefois occupée par la bouée-boîte.

Lat. N. 47° 1' 25"
Long. O. 70° 35' 2"

Une lumière blanche intermittente d'après le système Pintsch est exhibée d'une lanterne surmontant la bouée, à 10 pieds au-dessus de l'eau, et devrait être visible à 4 milles de tous les points d'approche par eau. Comme les lumières exhibées d'autres bouées à gaz, cette lumière n'est pas constamment surveillée, et peut en certains temps être éteinte pendant de courtes périodes, et en conséquence, on ne doit pas s'y fier implicitement.

Cet avis concerne les cartes de l'Amirauté Nos. 315, 318 et 2516 ; le *St Lawrence Pilot*, vol. I, 1894, page 285, et devrait être inséré en substance dans la Liste des phares et signaux de brume canadiens, 1899, sous le numéro 780.

II. BATTURE NON SIGNALÉE AU LARGE DE SAINTE-FÉLICITÉ.

Le commandant Wakeham, du vapeur fédéral " La Canadienne " a localisé une batture dont l'existence a été rapportée au département par le major E. L. Bond, assureur maritime, Montréal, à environ un mille du rivage, au nord de l'église paroissiale de Sainte-Félicité, sur la rive sud du Saint-Laurent, comté de Rimouski.

Lat. N. 48° 55' 18"
Long. W. 67° 20' 52"

La batture qui sera désignée batture Roix, est de roc, a à peu près 500 pieds de longueur est et ouest, sur à peu près 400 pieds de largeur. Elle s'élève abruptement d'un fond vaseux. La moindre profondeur d'eau est de 4 brasses, la moyenne étant d'environ 5 brasses ; les sondages tombent subitement dans 9 brasses tout autour.

Les angles du sextant suivants ont été pris de la batture :—

Tangente extérieure du Cap Balance	0°
Eglise de Sainte-Félicité	92° 10'
Phare de Matane	64° 20°

Les orientations suivantes de la boussole ont aussi été prises :—

Cap Chat E. ¼ S.
Eglise de Sainte-Félicité, S.O. par S. ½ S.
Phare de Matane O. ¼ N.

Les pêcheurs disent que la mer se brise rarement sur cette batture, bien qu'il y ait souvent une grosse volute. Le commandant Wakeham suggère que les vaisseaux d'un fort tirant d'eau devraient se tenir à une distance d'au moins deux milles de ce rivage.

Cet avis concerne les cartes de l'Amirauté Nos 309 et 2516, et le *St. Lawrence Pilot*, vol I, 1894, page 86.

Sous-ministre de la Marine et des Pêcheries.

☞Tous les relèvements, à moins d'avis contraire, sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

Les pilotes, capitaines et autres intéressés sont instamment priés d'envoyer tous renseignements quant aux dangers, changements aux aides à la navigation, avis de nouvelles battures ou de nouveaux chenaux, erreurs dans les publications, ou autres faits touchant la navigation dans les eaux canadiennes, à " l'ingénieur en chef, ministère de la Marine et des Pêcheries, Ottawa, Canada." 51-3

[381]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 15th day of May, 1899.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Memorandum, dated 17th February, 1899, from the Minister of the Interior, stating that by Order in Council of 8th July, 1896, authority was granted to the Alberta Railway and Coal Company to exchange the under-rights in certain parcels of land, the lands which the said company were to take in such exchange being mentioned in schedule "B" of that Order in Council, two of the parcels therein being legal subdivisions 9 and 16 of Section 12, Township 9, Range 22 west of the 4th Meridian, the surface rights, however, in these lands not being vested in the railway company.

The Minister observes that the company are desirous also of acquiring the under-rights to the westerly 15 chains of Legal Subdivision 8 of said Section 12, all three parcels of land being embraced within the homestead of Mr. William Stafford, junior.

The Minister states further that section 48 of the Regulations for the disposal of Coal lands, the property of the Dominion Government of Manitoba, the North-west Territories and British Columbia, as embodied in the Regulations approved by Order in Council of the 17th September, 1889, and 9th July, 1892, prescribes as follows :—

"Before a patent of the mining rights of any lands "can be issued, it will be necessary for the party "obtaining the same to furnish proof to the Minister "of the Interior that he has acquired the surface rights "of the land from the owner or agent or occupier of "such lands."

The Minister recommends, as the obtaining of the surface rights in these three parcels of land would entail upon the said company some delay and inconvenience and in view of the considerable expenditure and development made by them in Southern Alberta that the prescriptions of section 48 of the Regulations above quoted, be waived in this particular instance, and that the under-rights to Legal Subdivisions 9 and 16, and the westerly 15 chains of Legal Subdivision 8, all in Section 12, Township 9, Range 22 west of the 4th Meridian, be granted to the Alberta Railway and Coal Company in settlement of the said exchange, as mentioned in the Order in Council of 8th July, 1896, above referred to.

The Committee submit the foregoing for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

Whereas the Executive Council of the Territories have passed a Minute of Council authorizing the same ; and there being no reason why the same should not be carried out,—

[621]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 16th day of May, 1899.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by the Order in Council of the 18th December, 1897, the Minister of the Interior is authorized to dispose of School lands required for irrigation works at such rates of compensation as he may deem warranted by the circumstances, having due regard to the interests of the School Endowment Fund ;

And whereas in the case of lands required in School sections for the right of way of irrigation ditches, as the area necessary for this purpose would be very small, and as in order to sell or rent the land it would first be necessary to have the area defined by actual

survey, the cost of which would be out of all proportion to the value of the land, the question arose whether it would not be in the public interest as well as in that of the School Endowment to allow a free right of way for such ditches through School sections, especially as the establishment of a system of irrigation would enhance the value of School lands in the vicinity;

And whereas the Department of Justice to whom the question was referred, has given the opinion that it would be competent for the Governor in Council to issue licenses of occupation for the right of way of irrigation ditches through School sections free of charge, if, as represented, the value of School lands would be enhanced by the establishment of irrigation works,—

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased, in view of the foregoing facts, and of the further fact that it would be in the public interest and in that of the School Endowment Fund to encourage a system of irrigation in the North-west Territories, to authorize, and does hereby authorize the Minister of the Interior to issue licenses of occupation of the lands required for the right of way of irrigation ditches through School sections free of charge.

His Excellency is further pleased to order that the lands required for reservoir purposes in School sections shall be disposed of in accordance with the provisions of the Order in Council of the 18th December, 1897, before referred to.

JOHN J. McGEE,
49-4 Clerk of the Privy Council.

[1045]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 22nd day of May, 1899.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report, dated 18th May, 1899, from the Secretary of State, stating that he has had under consideration several applications for letters patent of incorporation under The Companies Act, in which it is solicited that the prefix "The" immediately preceding the name of the company taking the name of a previously existing firm or partnership may be omitted.

This omission which is in accordance with the English practice, was formerly the rule in Canada until 1894, when by an arrangement with the Provincial Government of Ontario the addition of the "The" to the name of the company was made compulsory. Recently the local authorities of Ontario have rescinded this prohibition as regards old and well established firms.

The object of the original requirement that the word "The" should form part of the corporate name of the company was stated at the time to make it clear to the public that such company was incorporated, and as such, subject to statutory limitation as to liabilities.

The Minister, however, is of opinion that the obligation imposed by section 79 of The Companies Act which requires companies to make conspicuous use of the word "Limited," and the heavy penalties attached to its violation, sufficiently advertises the fact that the business of such companies is carried on by a joint stock corporation instead of by a partnership firm as heretofore.

The Minister accordingly recommends that in the case of old and well established firms, of high standing, with well known names, the prefix "The" may in the case of incorporation under the firm name be omitted at the discretion of the Secretary of State.

The Committee submit the same for Your Excellency's approval.

JOHN J. McGEE,
48-6 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 13th day of May, 1899.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by an Order of the Governor in Council, dated the 23rd of August, 1898, section 39 of the Regulations governing Placer Mining in the Yukon Territory was repealed, and provision made whereby a free miner was entitled to hold a claim by doing or causing work to be done on the claim each year to the value of $200.00, or whereby he might in lieu of the work to be done thereon each year pay to the Mining Recorder the sum of $150.00;

And whereas the provisions of the said Order in Council have not become law, by reason of such order not having been published in the *Canada Gazette*; and

Whereas in several cases extensions of time to commence operations have been granted by the Gold Commissioner through reason of information of such change conveyed to him by the Commissioner of the Yukon Territory under a misapprehension that the amended regulations would become law before he, the Commissioner, would arrive in the Yukon Territory; and

Whereas at the present time it is not deemed necessary to alter section 39 of the aforesaid regulations;

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to order and declare that the said Order in Council of the 23rd August, 1898, repealing section 39 of the aforesaid regulations, shall be and the same is hereby cancelled.

His Excellency is further pleased to approve of the above mentioned extensions of time granted by the Gold Commissioner, and the same are hereby approved accordingly.

NOTICE TO MARINERS.

No. 31 of 1899.

DOMINION OF CANADA—QUEBEC.

I. GAS BUOY ON ST. THOMAS BANK.

On the 23rd instant, the black can buoy heretofore maintained to mark the outer end of St. Thomas bank, River St. Lawrence below Quebec, was removed and, at the same time, a spherical gas buoy, painted black, with the words "St. Thomas Shoals" in white letters, was moored in 5 fathoms water, one cable northward of the position formerly occupied by the can buoy.

Lat. N. 47° 1' 25"
Long. W. 70° 35' 2"

An occulting white gas light on the Pintsch system is shown from a lantern surmounting the buoy, at an elevation of 10 feet above the water, and should be visible 4 miles from all points of approach by water. Like lights shown from other gas buoys, this light is not under constant supervision and may at times be extinguished for short periods. Implicit dependence must therefore not be placed on it.

This notice affects Admiralty charts Nos. 315, 318 and 2,516; St. Lawrence Pilot, Vol. I, 1894, page 285, and the substance of it should be entered in the Canadian List of Lights and Fog Signals, 1899, under the number 780.

II. UNCHARTED SHOAL OFF STE. FÉLICITÉ.

Commander Wakeham, D. G. S., "La Canadienne," has located a shoal, the existence of which was reported to the Department by Major E. L. Bond, Marine Underwriter, Montreal, nearly one mile from shore, northward from Ste. Félicité parish church, on the south shore of the St. Lawrence, county of Rimouski.

Lat. N. 48° 55' 18"
Long. W. 67° 20' 52"

The shoal, which will be known as Roix shoal, is of rock, about 500 feet long, east and west, by about 400 feet wide. It rises abruptly from a muddy bottom. The least water found on it is 4 fathoms, the average being about 5 fathoms; the soundings drop suddenly into 9 fathoms all round.

The following sextant angles were taken from the shoal:—

Outer tangent of Cape Balance.	0°
Ste. Félicité church................	92° 10'
Matane lighthouse..................	64° 20'

The following compass bearings were also taken:

Cape Chat E. ¼ S.
Ste. Félicité church. S. W. by S. ½ S.
Matane lighthouse W. ¼ N.

Fishermen report that the sea seldom breaks on this shoal although there is often a heavy curl on it. Commander Wakeham suggests that deep draft vessels should give this shore a berth of at least 2 miles.

This notice affects Admiralty Charts Nos. 309 and 2,516, and St. Lawrence Pilot, Vol. I, 1894, page 86.

NOVA SCOTIA.

III. ERRATUM.

In part I of notice to mariners No. 21 of 1899 a typographical error appears in one of the bearings indicated in the arc of visibility of the Port Medway harbour light. The bearing W. W. by W. ½ W. should read N. W. by W. ½ W.

F. GOURDEAU,
Deputy-Minister of Marine and Fisheries.
Department of Marine and Fisheries,
Ottawa, Canada, 26th May, 1899.

☞All bearings, unless otherwise noted, are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notices of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters, to the Chief Engineer, Department of Marine and Fisheries, Ottawa, Canada.

DOMINION OF CANADA—BRITISH COLUMBIA.

I. UNCHARTED DANGERS OFF KINGHORN ISLAND, STRAIT OF GEORGIA.

The following information respecting two uncharted rocks existing about half a mile northward of Kinghorn island, and in the fairway to Desolation sound, has been forwarded by Capt. Walbran, D.G.S. "Quadra."

(1.) *West Rock.*

Lat.	N.	50°	5'	19"
Long.	W.	124°	52'	39"

Sextant angles taken from the rock are as follows :—

East tangent of Island off Turn point, Cortes island	0°
West tangent, Kinghorn island	9° 25'
East tangent, Kinghorn island	77° 35'
North tangent, Station island	30° 0'
East tangent, Martin island	28° 18'
Junction point, Lewis channel	85° 26'
East tangent, island off Turn point	129° 16'

This rock dries 2 feet at l. w. s., is about 130 feet in diameter, showing 3 heads above water, with deep water close around.

(2.) *East Rock.*

Lat.	N.	50°	5'	21"
Long.	W.	124°	52'	22"

Sextant angles taken from the rock are as follows :—

West tangent, Kinghorn island	0°
East tangent, Kinghorn island	76° 22'
North tangent, Station island	44° 24'
East tangent, Martin island	34° 13'
East point, Refuge cove	52° 34'
Junction point	34° 00'
West Rock	73° 45'
West tangent, Kinghorn island	44° 42'

This rock dries one foot at l. w. s., is about 75 feet in diameter, with deep water close around. Neither rock is marked by kelp. It was noted from this rock that the east tangent of Martin island, and west tangent of Melville island were in line, and that the eastern trend of Kinghorn island was also in line. The depth in the middle of the passage between the east and west rocks is 13 fathoms. The rocks are two cables apart.

(3.) A rocky patch was also found about 2 cables to the southward of the west rock, having a depth of two fathoms, with from 5 to 10 fathoms around. The greatest depth between this two-fathom patch and the west rock is 12 fathoms and between the patch and Kinghorn island 23 fathoms.

Sextant angles taken from the patch are as follows :—

East and west tangent, Kinghorn island	105° 32'

East tangent, Kinghorn island, and north tangent, Middle island (situated in centre of passage between Kinghorn and Station islands) in line.

This notice affects Admiralty charts Nos. 580 and 1917, and British Columbia Pilot, 1898, page 231.

II. Rocky ledge off Three islets, east point fo Cortes island.

Captain Walbran also reports a narrow rocky ledge lying north and south and about 400 feet in length, showing a rock head at each end of the ledge one foot above low water springs, with a depth of 4 fathoms between them. There is a depth of 12 fathoms ½ cable east of the ledge. The centre of the ledge bears from the north end of the Three islets, E. by N. ½ N. distant 1½ cables.

Lat.	N.	50°	3'	16"
Long.	W.	124°	55'	51"

This notice affects Admiralty charts Nos. 580 and 1917, and British Columbia Pilot, 1898, page 226.

III. Shark spit and Channel rock beacons, Mary island.

(1.) A beacon composed of three piles, braced together at the head, surmounted by a drum 8 feet square, the whole painted white and showing 10 feet above high water, has been erected near the end of Shark spit, Mary island. The spit dries at low water spring tides, 100 feet outside the beacon, and at a distance of 140 feet from the beacon towards Channel rock there is a depth of 2¾ fathoms deepening rapidly to 6 fathoms.

Lat.	N.	50°	5'	30"
Long.	W.	125°	3'	45"

(2.) Channel rock ; marked by an iron spindle with small drum on top, showing 3 feet at high water and 10 feet at low water, contracts the navigable channel between this rock and Shark spit to half a cable, the depth in the channel being 6¾ fathoms at low water springs. This dangerous rock, covered about 4 feet at high water, is not shown on chart No. 580 nor mentioned in the British Columbia Pilot.

There is no safe passage between Channel rock and the small islet to the northward lying close to the Cortes island shore. The beacon on Shark spit should not be approached within 160 feet. The rise of tide here is 14 feet.

This notice affects Admiralty charts Nos. 580 and 1917, and British Columbia Pilot, 1898, page 235.

IV. Nanaimo harbour, Additional spar buoy.

A spar buoy, painted red, has been moored in Nanaimo harbour, in 12 feet of water, to mark the northwesterly shoulder of the middle bank. Westward of the buoy the depths range from 26 to 30 feet and eastward 3 to 8 feet, low water springs. The buoy bears from the white light beacon on the north extreme of the middle bank S. by W., distant 480 feet.

Note.—The northwest shoulder of the Middle bank shown on harbour chart No. 573, with a depth of 16 feet, does not exist, being a depth in that vicinity of not less than 25 feet low water springs.

This notice affects Admiralty harbour charts Nos. 573 and 2512, and British Columbia Pilot, 1898, page 188.

V. Beacons in Baynes sound re-erected.

(1.) The inner or west beacon marking the crossing over Kelp bar at the north entrance to Baynes sound, reported missing, has been re-erected as before.

Lat.	N.	49°	38'	56"
Long.	W.	124°	53'	30"

(2.) The beacons on the Vancouver island shore mentioned in Notice to Mariners No. 45 of 1894, to show the above crossing, have been renewed, and consist of four white painted planks, fastened diagonally in pairs, to two trees. When the trees are brought in one, so that the planks form a double St. Andrew's cross, one cross above the other, they lead across the bar in 9 feet at an extreme low tide, southward of the beacons.

(3.) The beacon on Union spit, reported missing, has been re-erected as before.

Lat.	N.	49°	35'	30"
Long.	W.	124°	54'	0"

(4.) The beacon on Maple spit, reported missing in part III of notice to mariners No. 84 of 1898, has been re-erected. The beacon has been built with 5 piles, braced together at the head, and surmounted by a lattice work ball, 6 feet in diameter, painted white, the remainder of the beacon being black.

Lat.	N.	49°	28'	21"
Long.	W.	124°	44'	30"

This notice affects Admiralty charts Nos. 580, 585 and 1917, and British Columbia Pilot, 1898, pages 200 and 201.

NOMINATIONS.

SECRÉTARIAT D'ÉTAT DU CANADA.

IL A PLU À SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL de faire la nomination suivante, savoir:—

OTTAWA, 25 mai 1899.

DONALD FRASER, de Huntingdon, dans la province de la Colombie Britannique, écuyer: Officier dans les douanes de Sa Majesté pour prévenir la contrebande.

ARRETÉS EN CONSEIL.

[688]

HOTEL DU GOUVERNEMENT À OTTAWA.

Samedi, le 13e jour de mai 1899.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté du Gouverneur en conseil, daté le 23 d'août 1898, l'article 39 des règlements concernant les mines alluviales dans le territoire du Yukon, a été abrogé, et qu'il a été décrété qu'un mineur libre avait droit de détenir un emplacement en faisant ou faisant faire chaque année du travail sur l'emplacement pour la valeur de $200, ou pouvait, au lieu du travail à y faire chaque année, payer au Registrateur des mines la somme de $150;

Et attendu que les dispositions du dit arrêté en conseil ne sont pas devenues loi, pour la raison que cet arrêté n'a pas été publié dans la *Gazette du Canada*; et

Attendu que dans plusieurs cas des prolongements de délai pour commencer les opérations ont été accordés par le Commissaire des mines d'or, parce qu'il avait reçu avis de ce changement par le Commissaire du territoire du Yukon, sous la fausse impression que les règlements modifiés deviendraient loi avant que lui, le Commissaire, arrivât dans le territoire du Yukon; et

Attendu qu'il n'est pas jugé nécessaire de changer l'article 39 des susdits règlements,—

A ces causes il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner et déclarer que le dit arrêté en conseil du 23 d'août 1898, abrogeant l'article 39 des susdits règlements, soit et il est par le présent cancellé.

Il plaît en outre à Son Excellence d'approuver les susdits prolongements de délai par le Commissaire des mines d'or, et ils sont par le présent approuvés.

JOHN J. McGEE,
Greffier du Conseil privé.

[1045]

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 22e jour de mai 1899.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport daté le 18 de mai 1899, du Secrétaire d'Etat, énonçant qui a eu à examiner plusieurs demandes de lettres patentes d'incorporation en vertu de l'*Acte des compagnies*, dans lesquelles l'on sollicite que le préfixe "The" précédant immédiatement le nom d'une maison ou société déjà existante, soit omis.

Cette omission qui est conforme à la coutume anglaise, était de rigueur autrefois en Canada jusqu'en 1894, alors que par un arrangement avec le gouvernement provincial d'Ontario, l'addition de "The" au nom de la compagnie fut rendue obligatoire. Récemment les autorités locales d'Ontario ont rescindé cette prohibition à l'égard des maisons anciennes et bien établies.

L'objet de la demande primitive que le mot "The" formât partie du nom corporatif était de démontrer clairement au public que cette compagnie était constituée en corporation, et comme telle, soumise aux limitations statutaires quant aux responsabilités.

Toutefois le Ministre est d'opinion que l'obligation imposée par l'article 79 de l'*Acte des compagnies* qui exige que les compagnies emploient les mots "à resp. limitée" et les peines sévères infligées pour infraction, annonce suffisamment le fait que l'industrie de ces compagnies est exercée par une corporation par actions au lieu de l'être par une raison sociale comme auparavant.

En conséquence le Ministre recommande que dans le cas d'anciennes maisons bien établies, de bonne réputation, et portant des noms bien connus, le préfixe "The" peut dans le cas de constitution sous le nom de la raison sociale, être omis à la discrétion du Secrétaire d'Etat.

Le comité soumet ce qui précède à l'approbation de Votre Excellence.

JOHN J. McGEE,
48-6 Greffier du Conseil privé.

AVIS AUX MARINS.

No. 31 de 1899.

PUISSANCE DU CANADA—QUÉBEC.

I. BOUÉE À GAZ SUR LA BATTURE DE SAINT-THOMAS.

Le 23 du courant, la bouée boîte-noire qui jusqu'à présent avait été maintenue pour indiquer l'extrémité de la batture de Saint-Thomas, dans le fleuve Saint-Laurent en aval de Québec, a été enlevée, et en même temps, une bouée à gaz sphérique, peinturée en noir, avec les mots "St. Thomas Shoals" en lettres blanches, a été ancrée dans 5 brasses d'eau à une encablure nord de la position autrefois occupée par la bouée-boîte.

Lat.	N.	47°	1'	25"
Long.	O.	70°	35'	2"

Une lumière blanche intermittente d'après le système Pintsch est exhibée d'une lanterne surmontant la bouée, à 10 pieds au-dessus de l'eau, et devrait être visible à 4 milles de tous les points d'approche par eau. Comme les lumières exhibées d'autres bouées à gaz, cette lumière n'est pas constamment surveillée, et peut en certains temps être éteinte pendant de courtes périodes, et en conséquence, on ne doit pas s'y fier implicitement.

Cet avis concerne les cartes de l'Amirauté Nos. 315, 318 et 2516 ; le *St Lawrence Pilot*, vol. I, 1894, page 285, et devrait être inséré en substance dans la Liste des phares et signaux de brune canadiens, 1899, sous le numéro 780.

II. BATTURE NON SIGNALÉE AU LARGE DE SAINTE-FÉLICITÉ.

Le commandant Wakeham, du vapeur fédéral "La Canadienne" a localisé une batture dont l'existence a été rapportée au département par le major E. L. Bond, assureur maritime, Montréal, à environ un mille du rivage, au nord de l'église paroissiale de Sainte-Félicité, sur la rive sud du Saint-Laurent, comté de Rimouski.

Lat.	N.	48°	55'	18"
Long.	W.	67°	20'	52"

La batture qui sera désignée batture Roix, est de roc, a à peu près 500 pieds de longueur est et ouest, sur à peu près 400 pieds de largeur. Elle s'élève abruptement d'un fond vaseux. La moindre profondeur d'eau est de 4 brasses, la moyenne étant d'environ 5 brasses ; les sondages tombent subitement dans 9 brasses tout autour.

Les angles du sextant suivants ont été pris de la batture :—

Tangente extérieure du Cap Balance	0°	
Eglise de Sainte-Félicité	92°	10'
Phare de Matane	64°	20°

Les orientations suivantes de la boussole ont aussi été prises :—

Cap Chat E. ¼ S.
Eglise de Sainte-Félicité, S.O. par S. ½ S.
Phare de Matane O. ¼ N.

Les pêcheurs disent que la mer se brise rarement sur cette batture, bien qu'il y ait souvent une grosse volute. Le commandant Wakeham suggère que les vaisseaux d'un fort tirant d'eau devraient se tenir à une distance d'au moins deux milles de ce rivage.

Cet avis concerne les cartes de l'Amirauté Nos 309 et 2516, et le *St. Lawrence Pilot*, vol I, 1894, page 86.

Sous-ministre de la Marine et des Pêcheries.

☞Tous les relèvements, à moins d'avis contraire, sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

Les pilotes, capitaines et autres intéressés sont instamment priés d'envoyer tous renseignements quant aux dangers, changements aux aides à la navigation, avis de nouvelles battures ou de nouveaux chenaux, erreurs dans les publications, ou autres faits touchant la navigation dans les eaux canadiennes, à "l'ingénieur en chef, ministère de la Marine et des Pêcheries, Ottawa, Canada." 51-3

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal; alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos " Demande de bill privé.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.
